There is something special about
Edith

... her ready smile
the way she says "You
Crazy Americans"
... her red cabbage

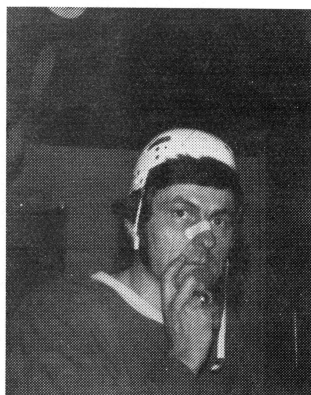

the rich experienced background she
carries with her
... her PRINCE in hand
... her wisdom
... her thriftiness

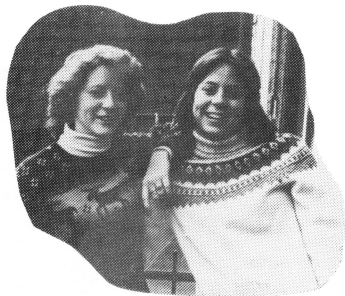

and of course her love, which she
gives freely on all occasions to those
lucky enough to cross her path
... How lucky we have been

And now it starts to seem to me

That all the clouds come

And go again

No longer showering threats

Of Danish rain

But of gratitude for the sunshine
Brad~

*The community will live on, although spread
over many miles. It exists as a unit of friendship.
after all, the world was made round so
that friendship may encircle it!*

Cowboy

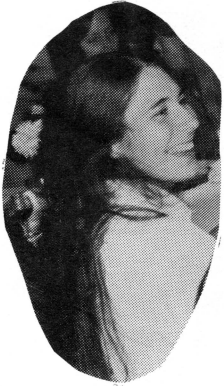

As the hotel closes in
 And my mind begins to scream
 My head begins to wander
 And reality seems a dream

Now I grab my coat and hat
 And rush into the street
 For I feel the itch to travel~
 Put some miles beneath my feet

But as I look into the future
 And see the way I'll leave
 Time and space will crumble
 And I'll stand alone and grieve

Class

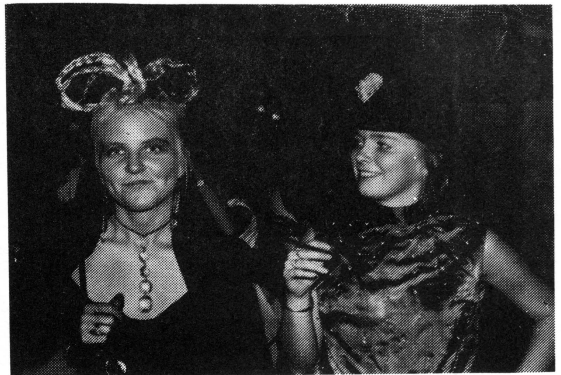

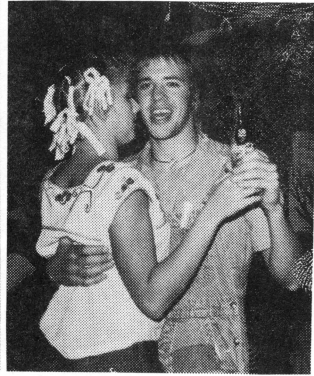

My gaze follows the passerby
Or melting snow in the courtyard
Familiar faces around
Warm faces I know
I can't hear the teacher
But I can hear the music
See feet stomping
Streamers and balloons
Pounding dancers
Transformed
Into students, sitting.

*A letter came from you today
Just one thin sheet it was.*

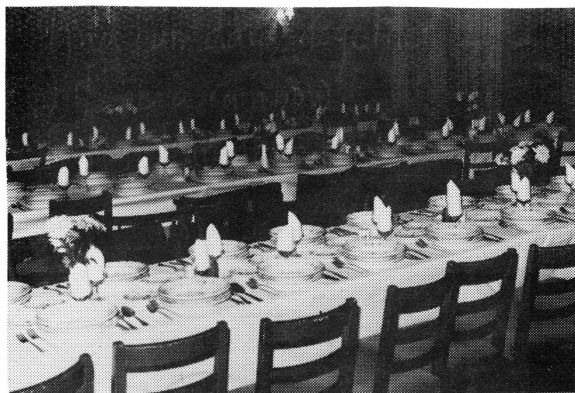

*Yet I've lit my lamp a thousand times
To read its words of love?*

Friends and Friends
 What I learn of you
 In my days here
 And your days here
 And our days together
 Will be a rainbow
 I shall learn the parts of.

ANOTHER NIGHT, ANOTHER BOWL

"The lives and loves at the Kong"

Our love was as cheap wine
 Red, cold, quickly made
 To achieve effects.
 How I drunk it down, all down
 Then cast it up, all up.
 Discovering in my mouth
 Such bitterness.

FRIENDS

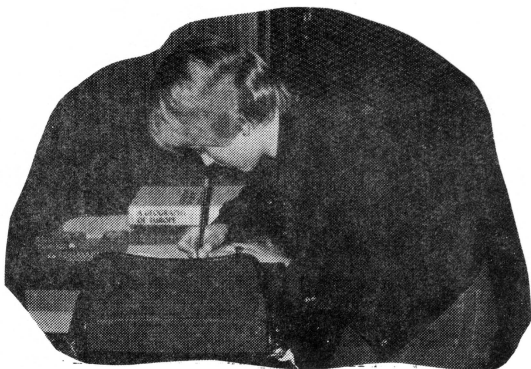

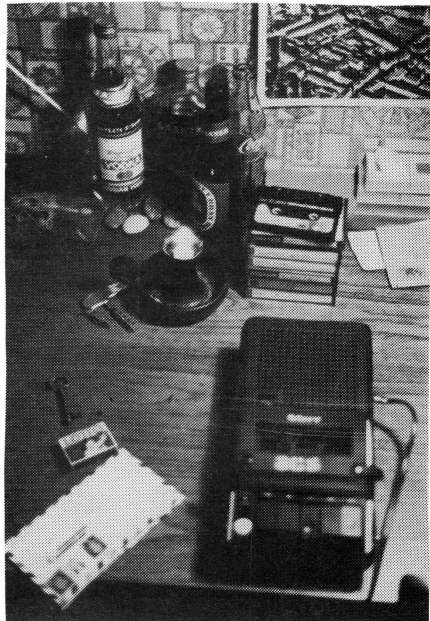

... REMEMBER THE PLACES
YOU'VE BEEN
THINK ABOUT THE PEOPLE
YOU DON'T KNOW
PRAY FOR THEM ALL
IF YOU CAN
BUT DON'T BE SLOW
PLEASE.

BILL B.

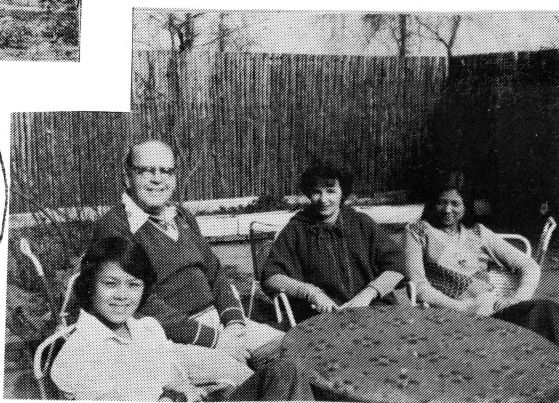

Dear friend:

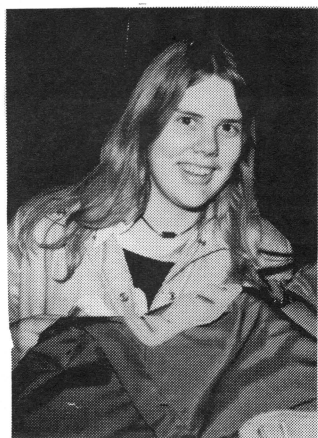

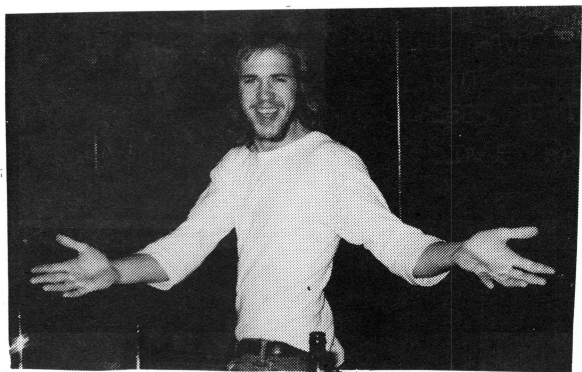

Tonight as I sit here with my dark conflicting mind I so desperately need you... The times we shared to find the understanding and deep value within ourselves will always linger in my thoughts for you... for I need you tonight to talk too... too share my need to be heard and to have my thoughts filtered out... My friend I miss not having you here to talk with and to embrace... You may leave my surrounding existence but never my thoughts...

I miss you... Please return ~
