FROM DENMARK TO AMERICA, WITH LOVE! ♥

We were given the experience of a lifetime. We were far away from home, yet we were offered a new home.

From Denmark, we traveled all over Europe to many new countries and cultures.

We took some classes, earned some credits, but what we really learned was real ways of life. Nothing we could get from a book or from TV or radio. It came from people, people who gave themselves!

We were taken in and given a home. A place to sleep, eat, talk and laugh. A place to learn, share and grow. "Thank You" isn't enough to express what people have done for us.

♥ From America to Denmark, with love! ♥

Though we may love our home in America, may we never forget our home in Denmark!!

TODD & SHELLEY

I'VE NEVER WRITTEN A POEM IN MY LIFE
BUT NOW I FEEL ITS TIME TO START
FOR THE PAIN I'M FEELING COMES DEEP
FROM THE HEART
TWO FRIENDS HAVE LEFT US BUT FOR
THEIR OWN SAKE
IF ONLY I COULD CHANGE THE COURSE
OF FATE
I'D PUT MYSELF IN THEIR PLACE AND
THEIR PLACE IN MINE
I'D FORCEFULLY TURN BACK THE HANDS
OF TIME
THEY'VE TOUCHED OUR LIVES DEEPLY
WE'VE ALL BECOME ONE
IF THINGS COULD GO THEIR WAY THEY'D
STILL BE HAVING FUN

We have two friends
 who can't be near
 They live for life
 but show no fear
 Remember when we met
 as strangers that day
 Giving yourselves
 in your own special way
 Memories of laughter
 fill our heart
 We shed a tear
 when time came to part
 The future to share
 in our own hour and place
 We look forward to meeting
 with a smile on our face!

...the memories still make
 our hearts warm...
 We love you Shel and Todd!

Young and Innocent

There's an echo in the wind, makes
me wonder where I've been. All the years
I've left behind, faded pictures in my mind.
Mystified, there is laughter dancing in the
air. Here we are without a care. Now it's hard
for me to see, it's not as easy as it used
to be. Now maybe yesterday is gone...
The things we shared were never wrong.
Come back then, I need you now.
I know that you're out there, I'll find you
somehow. I want that feeling back again,
So we can be young and innocent... Where
nothing matters but the moment we are in.
Let's shut our eyes and pretend. And maybe
once again, we can be young and innocent.
Though maybe yesterday is gone, the dreams
we shared were never wrong. Come back then,
I need you now. I know you're out there,
I'll find you somehow. I want that feeling
back again, so we can be young and
innocent... Where all that mattered was
the moment we were in. Just shut our
eyes and pretend, And maybe once again,
we can be young and innocent. I want
that feeling back again... Young and
Innocent. Nothing matters but the moment
that we're in. Let's shut our eyes and pretend
and maybe once again...
We can be young and innocent!

THANKS FOR THE MEMORIES
- FARVEL, VI SES -

This yearbook is dedicated to everyone who has shared in this incredible 6-month experience. In such a short time, we've learned things that take most people a lifetime to learn. Together we've experienced things that few people have had the pleasure of, such as; sleeping in train stations, not showering for 5 days in a row, being woken up out of a deep sleep by train conductors, and eating garbage for 2 weeks straight. Keeping a sense of humor was a real talent at times! Through it all, we've gained friendships and memories that will last a lifetime. I would like to thank everyone who helped pull this yearbook together. I would also like to thank my roommates for putting up with me during those final weeks before publishing. Lets keep in touch. Thanks for all the great memories!

Sincerely,
Your Editor,
