State Normal School

St. Cloud, Minn.

SUMMER TERM

JUNE 11TH TO JULY 26TH 1912

Summer School

Seven Weeks

CALENDAR.

Summer term opens Tuesday, June 11.

Term closes Friday noon, July 26.

GENERAL ANNOUNCEMENT.

A very large number of the regular subjects of the normal school course are offered in the summer term. Great care has been taken to arrange the work so as to satisfy the varying needs of those who attend.

The faculty will, in the main, be the regular corps of instructors.

ENTRANCE REQUIREMENTS.

A second grade certificate, or credits admitting to a high school course, or the equivalent, will admit a student without examination.

Examinations will be held on the first day, for those who do not have the necessary credentials.

A First Grade Certificate entitles the holder to one year's standings on the course.

High School Graduates should present the diploma from a four years' high school course, and high school standings. For the full course, this is all that is necessary. For an elementary diploma at the end of one year, High School Graduates must present standings in Botany or Zoology, Chemistry or Physics, Civics and United States History studied in the high school. If these standings are not included in the credits presented, the student will be conditioned, and must take them in the normal school in addition to the subjects of his course.

SUBJECTS OFFERED

DOUBLE COURSES.

Agriculture	Grammar II
Algebra I	Grammar H. S.
Algebra II	History I
Algebra III	History II
Arithmetic I	History H. S.
Arithmetic II	History of Education
Arithmetic H. S.	Literature
Botany I	Manual Training
Civics	Methods, General
Composition	Methods, Reading
Drawing I	Physics I
Drawing H. S.	Physics III
Geography I	Physiography
(Physical Geography)	Physiology
Geography II	Psychology I
(Commercial Geography)	Psychology II
Geography H. S.	Reading
Geometry I	Sewing
Geometry II	Social Science
Grammar I	Themes

Subjects may be dropped if a sufficient number of students do not enroll in them. Other subjects may be introduced if there is a sufficient demand. Each subject is doubled so that a full term's credit may be gained in the seven weeks. Two subjects constitute full work.

Graduates of former Elementary courses will note the unusual opportunity for work to complete full course. High School History, History of Education, Advanced Psychology, Advanced Literature, Sociology, Physiography, Third Term Physics, Themes, Agriculture, Sewing and Manual Training are all offered.

High School Graduates who expect to remain but one year, should seize the opportunity to make up the subjects on which they are conditioned.

CREDITS AND CERTIFICATES.

A full term's credit in Agriculture, Reading, Commercial Geography, Physical Geography, Civics or Physiology can be entered upon first or second grade certificates. Arithmetic, Grammar and History are two-term subjects and must be taken two terms before being entered on certificates.

Special classes will be formed of High School graduates and of those who have completed two years of High School Work. These classes may complete Arithmetic, Geography, Grammar, and History in a double course of seven weeks.

Students who have High School credits in other subjects besides the common branches, may, upon examination, receive credit in the subjects finished in the High School, and these credits may be entered on first or second grade certificates.

ACT OF LEGISLATURE, APRIL 21, 1909.

"The holders of certificates from the State Normal schools showing the completion of two years of prescribed work in such schools shall be entitled to have such certificates endorsed by the superintendent of public instruction and thereby given the full force and effect of a second grade certificate."

REGISTRATION.

Students should report for registration and programs on the morning of June 11. No time will be lost in the opening of class recitations.

FEES.

A fee of 75 cents will be charged for the rental of all text books needed.

BOARDING.

Board may be obtained in private families at from \$3.00 to \$3.50 per week.

Lawrence Hall will be open to accommodate young ladies who wish to take advantage of the excellent opportunities offered there. Price, per week, two in a room, \$3.25; table board \$2.50.

GENERAL DIRECTIONS.

Upon arriving at St. Cloud, take the bus or street car for the Normal School. A member of the faculty will be in the office ready to give assistance to those wishing to secure board and room.

Address all letters of inquiry to

W. A. SHOEMAKER,
President of State Normal School.
