Jo:

A well-earned congrats on another Trivia successfully run by you and your staff. I was told about Trivia Weekend during my job interview (!) and I've been hooked since my first year teaching, 3 years ago. I sleep a little more each year, miss a few more questions each year, and harass the dispute line a little more each year too (dammit, it DOES take 7.42 seconds for that bottle of Rothschild to fall!). You and your staff run a tight ship against amazing odds and I'm always impressed.

At any rate – thanks and congratulations. Can't wait for next year.

KT

PS – I may have to hunt down Jim Gray if I hear another mashup, haha!
