## SUMMER SESSIONS 2004

at St. Cloud State University

Dr. Dennis Nunes

### From the Dean...

It is a pleasure to welcome you to the many summer educational opportunities at St. Cloud State University. Summer is a time to grow and SCSU will offer you numerous opportunities for growth as you pursue your educational goals.

Summer Sessions offer something for everyone. Many of the regular courses are offered during the University's two five-week summer sessions. In addition, there are a wide range of short courses, workshops, field experiences, institutes, and tours developed especially for summer sessions. There are even a number of evening courses for those who find it more convenient to take a class in the evening. You may want to note the summer schedule includes an Intersession which will run from May 12 to June 3. During the Intersession a number of courses, workshops, and other innovative educational experiences will be available.

The Summer Sessions at St. Cloud State University will provide you with opportunities to:

- enroll in classes you were not able to take during the regular academic year to catch up, stay on schedule, or graduate earlier
- enroll in a class that may have been filled during the fall or spring semester
- enroll in a class to update and enhance your professional skills
- earn credits that will transfer to other universities
- take a class in an environment in which classes are often smaller and less formal

Consider joining us this summer. We want you to have an enjoyable and rewarding experience at St. Cloud State University. The staff of the Office of Summer Sessions will attempt to do all we can to assist you.

**Please feel free to stop in and see us** in the Administrative Services Building, Room 121.

- Grades you receive as a "Special Student Registrant" will be considered part of your academic record if you seek admission to SCSU.
- Limited advising assistance is available through SCSU's Academic Advising Center.

## Registration Information

At St. Cloud State University enrollment requests may be processed by accessing either the Online Registration and Student Information System ([www.stcloudstate.edu/registeronline](http://www.stcloudstate.edu/registeronline)) or the Touchtone Registration System at 320.308.5288. Both of these systems are briefly noted below. Additional information will be found later in this booklet.

Before attempting to register, read all instructions regarding academic and procedural requirements. The Office of Records and Registration personnel will answer registration procedure questions on the "HELP" line, 320.308.3936, or through e-mail via [recreg@stcloudstate.edu](mailto:recreg@stcloudstate.edu).

Select desired classes for the term. The Undergraduate Bulletin and General Education Check List are helpful when selecting required classes for undergraduate programs. The Graduate Bulletin, advisor, or the School of Graduate Studies, AS 121 should be consulted for graduate program requirements.

Undergraduates currently enrolled in day classes and wishing to advance register for the next term **must see their academic advisor if not yet admitted to a major program**. Students are expected to make an appointment to see their advisor at least one day before their earliest assigned time to register. Advisors will have the registration access code and are assigned to assist in the selection of courses, but the ultimate responsibility rests with the student.

**Undergraduate students with 80 or more earned semester credits, must be formally admitted to an academic major program to access Online Registration or Touchtone during the advance registration period. Formal admission requirements may vary according to academic program. Check with the specific academic department for admission procedures.**

Check the Registration Schedule for registration times on page 28. Registration is permitted any time after the published time.

All financial, academic and other "holds" must be cleared before attempting to add or drop classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing Online or Touchtone Registration.

Students will be held responsible for all transactions and adjustments made to their class schedule using Online or Touchtone Registration and all financial and academic consequences that result from that schedule.

## Online Registration and Student Information System

The Online Registration and Student Information System is the most preferred method of registration for SCSU students. This web based system may be used to confirm an assigned registration time, add and/or drop classes, search for open classes, view a class schedule and check for grades and holds. The system may be accessed through the SCSU Home Page ([www.stcloudstate.edu](http://www.stcloudstate.edu)) Registration Link.

See the Online Registration Guide on page 29 for complete instructions.

## Touchtone Registration

Touchtone registration is a voice response system that will allow a student to add classes, drop classes, verify a class schedule, search for open classes, and confirm an assigned registration time using a touchtone telephone.

See the Touchtone Telephone Registration Guide on page 30 for complete instructions.

## What you need to know—from A to Z

### Adding classes

Registration is governed by priority and credit hours completed. You may add (register) anytime AFTER your earliest scheduled registration time. All adds after May 13 for intersession, June 9 for first summer term or July 14 for second summer term must be approved by the department of the course.

### Advising pre-business students

To obtain their access code, pre-business students must meet with a pre-business advisor in the Business Building, Room 122, before they register for classes. Advisors will be available starting March 22, 2004, 8:00 a.m.-4:00 p.m.

### Arranged and independent study classes

Arranged classes (not regularly scheduled) and independent study classes require a form signed by the instructor of the class and the chairperson of the department. Forms are available in the Administrative Services Building, Room 118, 320.308.3936. If you wish to register for a 300- or 400- level class at the graduate level, the signature of the Dean of Graduate Studies is required on the arranged course form. Completed forms must be returned to AS 118 for processing.

### Auditing of classes

A student who wishes to attend the class sessions of a course but does not wish to receive credit for it must register as an auditor. **The same registration procedure is followed and the same fees charged as for credit courses.**

Auditors must attend class but the taking of quizzes and examinations is optional. Auditors who fail to meet the attendance requirements may receive a mark of "U" (unsatisfactory) rather than a mark of "AU" (auditor). Courses audited cannot be counted toward graduation requirements. Courses audited are counted as part of the student load. **The audit option must be designated at the time of registration for the course.**

### Change of address

You may update/change your address online at [www.stcloudstate.edu/registrar](http://www.stcloudstate.edu/registrar)

### Common Market Plan

Students enrolled at Minnesota's six state universities may register to take SCSU summer session classes through the Common Market Plan. To access this opportunity interested students should visit their campuses' registration office.

Complete a Common Market Passport form with your registrar, identifying the classes you wish to take at SCSU. Your registrar will then mail the completed form and a copy of your transcript to the registration office at SCSU. The SCSU registrar will register you, if available, for the courses you have requested. If an SCSU course is restricted the visiting student is responsible to seek permission from the instructor to access the course. Written confirmation of your registration will be sent to you and to your home institution.

Your financial aid and GI Bill benefits will follow you to SCSU for the summer. The credits you earn at SCSU will appear on your home institutions transcript and are considered resident credits. As a Common Market student all SCSU campus and housing services are available to you.

To qualify for the Common Market Plan you must be an undergraduate, pursuing a degree, have at least a 2.0 GPA and must have attended your home university for 2 semesters/30 credits.

### Co-requisites

Co-requisites are courses that must be taken during the same semester.

### Dropping classes

Courses dropped BEFORE May 21 for intersession, before June 9 for first summer term or BEFORE July 17 for second summer term will not appear on the transcript. Courses dropped May 21-28 for intersession, June 12-25 for first summer term or July 17-30 for second summer term will appear on the transcript with a grade of "W" (withdrawal). See calendar for additional dates.

### Final examination

Final examination times are announced in class by the instructor.

## Grades

Grades for summer may be accessed through the Online Registration/Student Information System ([www.stcloudstate.edu/registeronline](http://www.stcloudstate.edu/registeronline)) or the Touchtone Telephone System at 320.308.5288 or 1.800.657.3625. **Grade reports will no longer be mailed.** If you need official printed verification of your grades, please order an official transcript in AS 118.

## Holds

All financial, academic and other "holds" must be cleared before attempting to register for classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing Online or Touchtone Registration.

## Immunization requirement

The Minnesota Statute (MS 135. A14) requires students attending any school in Minnesota to show proof of immunity to measles, mumps, rubella, diphtheria, and tetanus. Forms are available in Health Services located in Hill Hall.

Anyone enrolled in more than one class who fails to submit the required information will not be allowed to register for any subsequent terms. Students who graduated from a Minnesota high school in or after 1997, were born before 1957, are enrolled in only one class, or are enrolled in only extension classes are exempt from this law.

## Major Students Only

To enroll in courses listed as MAJOR STUDENTS ONLY, you must be officially admitted to a major, minor, or program in that department.

## Mathematics placement test

Students must complete a department placement test with a satisfactory score before registering for the following entry level mathematics and statistics courses: STAT 193 219, 229, 319 and MATH 070, 072, 112, 113, 115, 193, 196, 211, 221.

1. Students who have tested at SCSU within the past year or successfully completed prerequisite courses need not retake the test.
2. Transfer students who wish to be exempt from SCSU testing must provide to the Department of Mathematics evidence of placement testing or completion of prerequisite courses. A copy of the SCSU transfer evaluation worksheet, previous placement test results or transcripts from another college (including social security number or SCSU ID number) should be delivered to ECC 139 or faxed to (320) 308-4269. Transfer documentation is valid for one year. CAUTION: Materials sent to the Office of Records and Registration will **not** provide exemption.

For more information, testing schedule and sample questions: Visit [www.stcloudstate.edu/~mathpl](http://www.stcloudstate.edu/~mathpl) or call the Mathematics Department at (320) 308-3001.

## Misuse of the registration system

It is misuse of the registration system for a student to (1) register for a class or multiple sections of a class with the intent to "save" the class for another student; or (2) register for multiple sections of the same class with the intent to decide at a later date which section to attend. Students who misuse the registration system will be subject to reduced registration privileges, ranging from the loss of the right to advance register to the deletion of registered courses. **Multiple registrations for the same class will be deleted.** The student is also subject to possible disciplinary action taken by the university. The student who adds a "saved" class will also be subject to the actions listed above.

Unauthorized use of the registration system may result in criminal prosecution. A student who tampers or attempts to tamper with the registration of another student may be subject to disciplinary action and/or criminal prosecution.

## Non-attendance

If you register for a class(es) and do not attend or stop attending without officially dropping or withdrawing, you will be held responsible for payment and receive your earned grade for the class(es).

## Permission required courses

Before registering for classes listed as "Permission Required," students must ask the academic department for pre-authorization. After the academic department personnel have processed the pre-authorization request, students must enroll in the class using Online or Touchtone Registration.

## Personal ID Number (PIN)

When a person is new to SCSU, his/her PIN is set to his/her birth date in year, month and day order (yyymmdd). After entering the system for the first time, each person is required to change his/her PIN to a new 6-digit number. (When choosing your own personal pin number, please choose a number that does not begin or end with zero, is not your birthdate, and uses all six digits. Do not use repetitive (111111) or sequential (123456) numbers. This new PIN will be used every time the system is entered thereafter. If a PIN is forgotten, individuals may contact the Registration Office 320.308.3936 or e-mail [recreg@stcloudstate.edu](mailto:recreg@stcloudstate.edu) for assistance.

## Pre-professional skills test (PPST)

Students must have completed the PPST to register for upper division (300-400 level) classes designed specifically for teacher education programs. Students admitted to a non-teaching major must contact the Dean's Office, College of Education, Education Building A110, if they wish to enroll in classes that require the PPST. Call 320.308.3023.

## Pre-Requisites

Check the undergraduate or graduate bulletin to see if a class has a pre-requisite. Pre-requisites are not listed in this schedule.

## Priority registration

Priority registration is granted for the following groups of students: students with disabilities, students who have earned a baccalaureate degree from SCSU, students admitted to graduate level programs, undergraduate degree candidates who have requested EVENING STUDENT PRIORITY and students admitted to the honors program in good standing with 12 SCSU semester credits completed. Students in the above groups may register at the time indicated on the registration schedule or anytime thereafter. If students with disabilities need assistance with registration, please contact the Office of Records and Registration, Administrative Services Building, Room 118, 320.308.2168.

## Registration access code

If you are an undergraduate student, currently enrolled in day classes and not yet officially admitted to a major, you must obtain a six-digit access code from your advisor before you attempt to register (See Registration Schedule). The access code is used only once for each term and is not required for summer semester after April 9, 2004.

## Technical difficulty

If you experience difficulty in accessing Online or Touchtone Registration, please report the problem to the HELP line at 320.308.3936.

## Term code

You may be asked to enter a term code. Summer semester is term 1.

## Text books

During the summer sessions the Husky Bookstore will be open Monday through Friday from 8-4. Students can purchase and have their books shipped to them online at [www.husky.bkstr.com](http://www.husky.bkstr.com). The return policy for the regular summer session(s) is within the first 5 calendar days of classes with a receipt. #### GREASE

*Book, Music and Lyrics by Jim Jacobs and Warren Casey*

JUNE 16-JULY 4

One of our all-time audience favorites, and one of Broadway's biggest all-time hits, returns to open our 2004 season. It's 1959 and Rydell High is filled with the old gang of rebellious, music-loving students—Danny Zuko and the Burger Palace Boys, Betty Rizzo and the Pink Ladies, and virtuous Sandy Dumbrowski, the new girl in school. Grease is a festival of the ultimate in crowd-pleasing tunes, celebrating young love and the comparative innocence of high school. The songs—including "Summer Nights," "Look at Me, I'm Sandra Dee," and the pulsating, infectious "Greased Lightning"—will get into your head and make you want to hand jive. "Grease" is the word!

#### OF MICE AND MEN

*By John Steinbeck*

JULY 7-11

We are proud to present this classic American tale of two friends—George, the cunning but soft-spoken farm laborer, and Lennie, his sweet, simple-minded cousin—who share the road during the Great Depression. Clinging to their loneliness and alienation, they dream as drifters will of a place to call their own. But when they come to work at a ranch in California's Salinas Valley, their hopes, like the "best-laid schemes of mice and men," begin to go awry. "A thriller, a gripping tale . . . Steinbeck has touched the quick."—New York Times

#### LAST OF THE RED HOT LOVERS

*By Neil Simon*

JULY 14-18

Set in the swinging sixties, this comedy tells the story of Barney Cashman, the middle-aged owner of a New York fish restaurant who has been happily married for twenty-three years, but now fears that the sexual revolution is passing him by. Barney's attempts to seduce three wildly different and hilariously unsuitable candidates on three afternoons in his Mother's apartment are the occasion for some of Neil Simon's sharpest and funniest comedy, and end with a wiser Barney taking the most dangerous step of all: he calls his wife for a date. "No one has better expressed the furtive agonies and ecstasies of middle-aged men."—London Daily Express

#### DEATHTRAP

*By Ira Levin*

JULY 21-25

One of the great popular successes of recent Broadway history, this ingeniously constructed play is a rare and skillful blending of two priceless theatrical ingredients—gasp-inducing thrills and spontaneous laughter. Sidney Bruhl is a successful writer of Broadway thrillers, struggling to overcome a "dry" spell in his string of hits. But his desperate plan to steal another author's work leads to consequences he had not anticipated. The plot's twists and sudden shocks leave audiences spellbound. "Two-thirds a thriller and one-third a devilishly clever comedy . . . Scream a little. It's good for you."—Cue Magazine

#### MAIN STREET

*based on the novel by Sinclair Lewis, adapted by Craig Wright*

JULY 28-AUGUST 8

An American classic brought to vivid life for a whole new generation of theatergoers. . . This emotionally-charged adaptation of Sinclair Lewis' groundbreaking novel, set in a small town in Minnesota, premiered last year at the Great American History Theatre in St. Paul. We are proud to bring the play to Alexandria, in the heart of Sinclair Lewis country, for its first production outside the Twin Cities, featuring the original stars of the St. Paul production. Main Street tells the story of young, idealistic Carol Milford, who marries Doc Will Kennicott and moves to his small Minnesota hometown. As would-be reformer Carol struggles to find her place in the claustrophobic and parochial town of Gopher Prairie, she is gradually forced to face the consequences of her life choices. "It is amazing that a work written about Minnesota nearly 100 years ago could continue to be so cleverly exacting today."—The Minnesota Daily

**DOUBLE COUNTING:** A student may count a course for credit in the general education program and in the major/minor if the course is a requirement for that major/minor. The credits count only once towards graduation.

**WAIVERS:** If a student takes six credits in a department which are not general education courses, the student may waive three credits of general education in that same department. In foreign languages, nine upper division credits may waive six. This does not reduce the total credits required for graduation.

**CHECK WITH THE INDIVIDUAL DEPARTMENT. NOT ALL DEPARTMENTS ALLOW WAIVERS AND DOUBLE COUNTING.**

NOTE: Some majors require particular general education classes. See the department for information.

### III. UNIVERSITY REQUIREMENTS

**Diversity.** Each student must complete three courses designated Diversity. Students may take no more than one course from any one department in the completion of their Diversity designated courses. See undergraduate bulletin for a list of currently approved courses.\*\*

**Physical Education.** Each student must complete a 1 credit course in wellness and fitness (PESS 122). See the description in the Bulletin or contact the Department of Health, Physical Education, Recreation and Sport Science, HAH 227, 320.308.2155.

## The Minnesota Transfer Curriculum at SCSU

### General information

SCSU accepts the completed Minnesota Transfer Curriculum as fulfilling all lower division General Education requirements. We also provide an opportunity for students who wish to transfer to complete the Minnesota Transfer Curriculum here at SCSU.

This curriculum is designed primarily for students who wish to transfer from SCSU to another Minnesota institution which accepts the MTC. Students who transfer to SCSU with a partially completed curriculum should see note.

The SCSU MN Transfer Curriculum is a slightly modified version of the standard SCSU General Education program.

The courses listed here may change. The list will be updated periodically. See the Office of Academic Affairs, AS 209, for the most current list.

Diversity courses are underlined and in **bold**.

### Requirements

**GOAL 1: Communications** (7 credits)  
ENGL 191 and CMST 192

**GOAL 2: Critical Thinking** (3 credits)

See the Advising Center or Academic Affairs for the most recent ruling.

Arts: Art 130, 131; MUSM 100, 101, 123, 126; MUSP 101, 102, 103, private lessons, ensembles 151-164, 258; TH 125, 148; FS 175, 260.

**GOAL 7: Human Diversity** (Minimum 3 credits)

The Racial Issues course which must be taken in the first year of enrollment also satisfies the Human Diversity competency of the Minnesota Transfer Curriculum. Since this is also a university requirement, students who have completed the diversity competency at another college or university may be required to take a Racial Issues course in addition to having met the diversity requirement of the MTC. See note 2 below.

CMTY 111, 470; ETHS 201, 205, 210, 215, 220; HIST 109; HURL 102, 105; SOC 268

**GOAL 10: People and the Environment** (Minimum 3 credits)

BIOL 101, 105, 106; ETS 260; EAS 106; PHYS 208

*Note: All programs must fulfill all ten goals and must total at least 40 credits.*

**For students who have completed part of the MTC and then transfer to SCSU:**

1. Students are not required to repeat any goals they have already fulfilled and will be allowed to select from the preceding courses to complete the ten MTC competencies (goals). Transfer students may also elect to complete the broader SCSU General Education Program. See the Advising Center for assistance in deciding which program to complete.
2. Students must have completed or must complete at SCSU the equivalent of all university requirements. These currently include three Diversity courses, one of which must be a Racial Issues course taken during the first year of enrollment, and a one-credit physical education course (PESS 122) based on concepts of wellness and/or fitness. Completion of the MTC at SCSU does not exempt students from these requirements. NOTE: Students who transfer to SCSU with the MTC completed are not subject to the Racial Issues/Diversity requirement, though they remain subject to the Wellness/Fitness requirement.
3. Student's combined transfer and SCSU general education/MTC courses must equal at least 40 credits.

Each cohort will complete one course at a time, once per week for eight consecutive weeks. The courses are scheduled to allow for at least one week and up to five weeks of break time between courses to allow for employment, vacations and holidays. We believe our students will be most successful if they have balance in the scholarly work, and personal aspects of their lives.

The Herberger Maple Grove MBA program is hosted by Data Recognition Corporation (DCR) at the intersection of Bass Lake Road and I-494. All classes will be held at this convenient and beautiful location. Cost of tuition and all course materials for this outstanding opportunity will be approximately \$1,750 per course.
