Dear Virginia

We all went to church except Ned. Ned has been quite sick with the flu beginning last Tuesday when Mother was in Dpls. However he is much better now was out yesterday - drove over to see his girl and will play in the Tech Band Concert this afternoon. Mother and I will attend and in the evening she is having some people in for dinner. She had a grand time in Dpls last Tuesday.

I am writing Eleanor to give a message to W. J. Harold Schaeffer will probably add a member to this staff this spring or summer. He would like to have W. J. write him. If he can't use him he will perhaps be able to suggest other openings. Perhaps W. J. would care for St. Cloud. I think he prefers a comparatively small place.

I'm glad to hear you plan the trip to California. It will do you good. I was afraid the Minn.

Centennial Booklet would take so much time  
that the trip would be forgotten. I hope all goes  
well with the booklet.

Mrs Talbot was pleased over the place  
given to Jean's announcement.

Mr. & Mrs. Gale were at church this morning -  
to discuss Nancy's wedding date. Dr. Dickson-  
Lewis is to marry them. He is a very young  
man - looked like a fine person in all ways.

Ned has been struggling (the whole family  
<sup>struggling</sup> with him, telling him how to spell etc etc) over  
his Senior Essay - subject "The Republican  
Party and its future."

Mrs. Daggett called this morning to talk to Charles  
about the Univ. of Iowa - strongly advised him  
not to go there for the world he wants. But  
Charles still inclines in that direction - much against  
the U. of Minn.

Love  
Daddy.
