Dear Virginia:-

You certainly are going to be busy before you leave for Calif. I hope you won't be too tired so that your trip will not be so pleasant. Yes you can have the sewing machine but I would rather you would use it earlier because I may need it in May. However I think we can make some arrangements about it.

The boys will come down with the car this week if they can help you. They could come either Sat. or Sun. but I suppose Sat. or Sun. is preferable for them - make you can't get in there until Tuesday.

Be sure to give ~~me~~ us your new address.

C. M. wrote last week that she would appreciate lingerie for her birthday. so I got her a set of nylon panties and slip trimmed

in net. I that it could be kept out of her
trousseau - so you need not get that. She may
appreciate the some less expensive slips for
every day wear. As she said she was at
rock bottom.

Don't try to come home the Sunday you
are to leave for Calif. you will have enough
to do getting your house in order
and your clothes ready. I am sending
you C. M.'s letter so you can see
what her plans are for your visit. It
sounds interesting I think.

Ned reported a fine time in the
city last week. Now he must settle
down to work for the rest of the
year.

Much love.

Mother
