The Academic Attire

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when long-sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Academic costume is at present worn in the United States by persons taking part in academic ceremonies in general, at commencement ceremonies, at baccalaureate services, and at various inauguration ceremonies.

Gowns. The bachelor's gown is a relatively simple kind falling in straight lines from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeves. The master's gown is similar, except for the sleeves. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell-shaped sleeves.

Hoods. The greatest degree of symbolism is shown by the hood. Bachelors here do not wear the hood. The hood has velvet edging which indicates the area of specialization. The inside of the hood is satin and indicates by its color the college or university which granted the degree. St. Cloud State University's colors are deep cardinal and black.

Caps. The square "Oxford cap" or mortarboard of serge or broadcloth with a stiff crown is worn for most degrees. The tassel that hangs to the side is switched from the right to the left at the moment the degree is awarded.

The Commencement Ceremony as a whole affirms the value of learning to society, recognizes the cooperation of many people, on and off the campus, who have contributed to the learning enterprise and, above all, celebrates the effort and achievement (symbolized by diplomas, degrees and dress) of the graduates themselves.

The Mace. The mace originated as a staff or club used in the Middle Ages for breaking armor. It evolved into a ceremonial symbol of authority used in legislative bodies, universities, and other governmental units.

The University Mace was created by David Landwehr out of the white cedar flag pole from Old Main which was built in 1874 and razed in 1948. The carved designs on the mace head which are decorated with gold leaf symbolize the five undergraduate colleges of the University and were created by Merle Sykora, Associate Professor of Art. Mr. Sykora also designed the colorful school banners depicting the College of Business (drab), College of Education (light blue, lemon, sage green), College of Fine Arts and Humanities (white, brown, crimson, pink, silver gray, dark blue), College of Science and Technology (orange, golden yellow), and College of Social Sciences (citron, copper).

America, the Beautiful

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain

America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

University Hymn

Amy Dale

Harvey Waugh

The musical score for 'University Hymn' is written on five staves. The first staff begins with a treble clef, a key signature of three flats (B-flat, E-flat, A-flat), and a 4/4 time signature. The melody consists of quarter and half notes. The lyrics are printed below the staves, with two verses indicated by numbers 1 and 2. The final staff ends with a double bar line.

1. Sing to thee, our Alma Mater, high on oak-crowned banks,
2. By the riv - er's flow - ing wa - ters, by its is - lands fair,

Em - blem of our search for know - ledge, symbol of our youth - ful ranks.
May the loy - al sons and daughters, thy en - dur - ing friend - ship share.

Filled with fires of true am - bi - tion, let us ev - er be;
May they with sin - cere am - bi - tion, through the years e'er be;

Loy - al to thy fine tra - di - tion. Hail, St. Cloud, to thee!
Loy - al to thy fine tra - di - tion. Hail, St. Cloud, to thee!
