Bethel, Michael Issac, "The Heart is never in Question"

Out of Abundance of the heart the Mouth speaks;

We must conclude that we are something innate, something Outside
of everything our Circle of influence and communities shaped.

"The heart is never in Question." Pivot and Posture for me. But just
be sure to break every Mirror in the House because "Mr. Daniel Reflection"
Stands poised, prepared, and ready to Shake the Soul for Certaint, bringing
Man back around to realizing "The heart is never in Question"

We are Heart. We are Intention, Gifts and Talents! We must internalize this
to advance past what has passed. Giving us an opportunistic Future, letting
go of an ill-gotten Past.

Now do we know who we are? Not what was told to us, But what those Natural
Inclinations tell us! "The heart is never in Question."
