Today's convocation opened the St. Cloud Teacher's college SNO DAYS of 1954. The candidates for Sno Queen and King have been introduced to the student body before the voting tomorrow. Voting for king and queen by the student body is a new feature of the celebration this year. In previous years, a group of men from the St. Cloud area were selected to choose the winners.

There are no special events scheduled for Thursday of Sno-Week. Friday afternoon at 3:30 p.m., Lawrence hall is sponsoring an ice cream social. The event will be staged on the snowy lawn in front of the dormitory, just to add effect to the celebration. "There will be snow-fighting and snow-balling between TC girls and guys," according to Sharon Ottinger, Larry hall counselor. Several musical numbers are planned for the program.

At 7:30 p.m. Friday evening, a variety show will be presented in the Stewart hall auditorium. The individual acts have not as yet been announced. A 12-piece orchestra from the college student body will supply the musical portion, while the various organizations add the humor. Immediately following the show the Sno King and Queen of 1954 will be crowned in a coronation ceremony, also scheduled for the auditorium.

A "sock hop" will follow the variety show in the first-floor lounge.

Saturday's events include a hockey game between the St. Cloud (Continued on Page 4)

Monologist to Present Convo Tomorrow Night

Albert Dekker, star of stage, screen, radio and television, will present a program of Monologues to the student body at a convocation scheduled for tomorrow night at 8:15 p.m. in the Stewart hall auditorium.

His performances include readings and scenes from Shakespeare, Sandberg, The Brownings, John Collier, Chekov, Benjamin Franklin, Edgar Allan Poe and many others, with each program adapted to the particular audience.

Mr. Dekker began his career on Broadway, making his first appearance in "Marco's Millions." After several other roles, he began his Hollywood career. He appeared in such films as "Cass Timberlane," "Gentlemen's Agreement," "Wake Island" and "Strange Cargo."

After 12 years in Hollywood Albert Dekker returned to Broadway to play the leading role in "Death of a Salesman." He toured the country for over a year as the star of this production.

Mr. Dekker has also taken part in several radio and television shows. Included among these is a recent performance in a play presented on "Studio One."

Peepers Partch In TV Debut

Whether he knows it or not, Mr. Peepers of TV fame has real competition in the person of a certain science instructor on campus.

While visiting in Springfield, Mo. during Christmas vacation Dr. Max Partch appeared as a guest on a television program entitled "Lena and Carol." This is a weekly show of the Judges Garden Club.

Dr. Partch was interviewed and asked questions concerning Missouri wild flowers.

If you're wondering about his connection with "Lena and Carol," there was a definite relationship. Carol happens to be his sister-in-law.

AWS to Sponsor Baby Sitters Course

The Associated Women Students is sponsoring a baby sitters course with the first meeting scheduled for tonight at 8 p.m. in Room 207. Mrs. Les Luymes will be the speaker.

There will also be a movie, "The Baby Sitter" shown in the audiovisual department in the library today at 4 p.m. and again at 4:30 p.m.

Otters to Display Talents at Next Tuesdays Convo

Emil E. Liers, noted naturalist and wild-life expert, will present a convocation to the student body next Tuesday at 10 a.m.

Mr. Liers program will include a presentation of his animal pets, the otters, as well as a lecture and movie. The otters will put on an actual demonstration of their ability to swim and understand what is expected of them.

With the co-operation of the Chicago Natural History museum Mr. Liers directed the filming of "My Pals" and "Playmates" which will be shown during the program. The movies display the otters as the principal actors. They are shown at play, sliding, fishing and retrieving ducks and upland game.

Mr. Liers, who makes his home in Homer, Minnesota, has been technical adviser to Walt Disney's picture, "Beaver Valley" and Paramount releases, "Sporting Pals" and "Playmates From the Wilds."

Students to Give Views on P.O. Boxes

The switch in P. O. boxes from the first floor to the basement of Stewart hall has prompted the CHRONICLE to do some research on the project. Opinions of students in regard to this will appear in the next issue.

Students Urged to Give Blood For Red Cross Tomorrow

By Don Malmgren

Once again the annual Red Cross blood drive is well under way. As you read this, there are perhaps some 75 people who have pledged to donate their blood tomorrow when the mobile blood unit appears on campus.

Our enrollment in this school is approximately 1200. According to this, 6 percent of the St. Cloud State Teachers college students are cooperating in this movement. It's a little shocking or maybe it answers the contention that teachers are the "other" and weakest sex.

For the past three years on this campus the Al Sirat fraternity has sponsored the Red Cross blood campaign for the Doug Kasch memorial trophy. This trophy is annually given to the organization which has the largest percentage of its members donating.

Many people feel that now because the Korean war is over, their blood is no longer needed. However, the most effective combatant against polio is made from the pooled blood of many individuals. This is gamma globulin.

The gamma globulin in your blood contains the antibodies which protect your body against disease—and what protects you, protects others. Although gamma globulin does not prevent polio, nor does it cure it, it does prevent the crippling effects if administered at the right time.

This is why so much blood is needed—in order to have a supply available when it is desperately needed.

So let's do our part of the job. Be a blood donor tomorrow between 9 a.m. and 3 p.m. when the blood unit will appear here. It is not too late to help out. You may donate if you are between the ages of 18 and 60 and if you weigh more than 110 pounds.

Donors are asked to avoid eating fatty foods for four hours prior to donation. Refreshments will be served by the local Red Cross branch.

Joanne Farr, a freshman from Minneapolis, pledges her pint of blood for the Red Cross blood drive to be held tomorrow. Students wishing to donate their blood may do so tomorrow between 9 a.m. and 3 p.m. when the unit will appear on campus.

Also pictured above are Brendan McDonald and Robert Hytinen, members of the Al Sirat fraternity.

'Sweetheart'

Karen Haugen was selected as "The Sweetheart of Lambda Chi" by the fraternity members Thursday night. Karen was chosen from among 16 other candidates. (Staff photo by Ben Friedrichs)

Karen Haugen Is 'Sweetheart Of Lambda Chi'

Karen Haugen, a sophomore from Fergus Falls, was named "The Sweetheart of Lambda Chi," as members of the fraternity led by President Lee Drossel serenaded her at Carol hall Thursday night.

Frat members gave out with the familiar tunes "Let Me Call You Sweetheart" and "I Love You Truly" as President Drossel presented Karen with a bouquet of roses and a kiss. The ceremony was completed with a few strains of the fraternity's own song.

Karen was chosen from among 16 other candidates which included: Audrey Anderson, Maureen Bergerud, Jo Briggs, Mary DeLong, Joanne Filkins, Carey Froemming, Carol Gaalas, Jo Ann Johnson, Andrea Moffet, Peg Nelson, Phyllis Olson, Mary Roche, Dee Schwartzwald, Jean Schwartzwald, June Swanson and Ardis Tepler.

All candidates were invited to Talahi lodge Wednesday night to allow the frat members to become better acquainted with them. The actual voting took place on Thursday.

This is the second year that Lambda Chi has chosen a sweetheart. Vi Peronivitch was selected for the honor last year.

Student Council Minutes

A special meeting of the Student Council was called to order on Monday, January 4, at 7:10 p.m. by President David Jerde. The minutes were approved as read. Roll was taken and 17 members were present.

Dave turned the meeting over to President Budd who spoke to us on the cigarette problem that has developed on campus. He asked the Council to think the problem over with the idea that a group could come to a more workable solution. He stated that action isn't what's needed at present, but a good plan that we can work from, and thus bring this problem to finality.

Lytle Schmidt moved that Lee Drossel's motion of the December 14 meeting, concerning the hearing board for the cigarette problem, be nullified. Al Krommings seconded and the motion carried.

Ray Bares moved we set up a committee of three to study the smoking problem and look into the general misuse of the college buildings. Lytle Schmidt seconded and the motion carried. Dave then asked for three volunteers to serve on this committee. The following volunteered: Ray Bares, Lytle Schmidt, and Al Krommings.

Lytle Schmidt moved we adjourn. Albin Krommings seconded, and the meeting adjourned at 8:10 p.m. Respectfully submitted, Peter Peterson, Secretary.

In addition to these seminar discussions, there will be a sacred concert, a movie, a one-act religious play and a convocation. A retreat and special breakfasts are also part of the plans.

Fourteen committees made up of students and faculty members are at the present time engaged in completing the plans for this annual affair.

Committee members held a retreat which included a supper and workshop at Talahi lodge on Sunday afternoon. Attending the retreat was Carolyn Anderson, representative of the University Christian Mission. Miss Anderson was the Danforth Foundation graduate who worked with the students and faculty last year in planning Religious Emphasis Week.

The University Christian Mission will supply the protestant speakers for the week. Only a limited number of campuses are chosen for participation in the U.C.M. program each year.

Huskies Take Third at Bemidji; Lose League Tilt to Bemidji; Eau Claire, Luther Latest Wins

By Lloyd Olson

The St. Cloud Huskies ended their two-game winning streak last Saturday night, bowing 74-53 to the Bemidji Beavers on the Bemidji floor.

It was the Beavers game from the start to the finish. The Beavers 17-11 first quarter lead continued to increase throughout the game. The half-time score was 33-24, and the third period results gave Bemidji a 51-38 margin.

Last Tuesday night's game was a different story. The Huskies edged out Eau Claire Teachers 70-67 in a hard fought game. St.

Cloud got off to a good start, sparked by Rog Westlund, and they led 23-19 at the first quarter mark. The half found the Huskies leading 43-38, but it was still anyone's game indicated by the narrow 57-54 third quarter lead.

With one minute left Rog Hanson, the Bluegold's 6'8" center had two free throws and a chance to tie up the game at 68-68. He made his first shot but missed his second. Bob Borgert then drove the length of the floor for a tally and the final score was 70-67 in the Huskies favor.

In the Paul Bunyan tournament held at Bemidji during the Christ-

mas vacation the Huskies split their games.

St. Cloud dropped its first game to Mankato Teachers 62-60. The Huskies trailed 33-28 at half-time, but closed the margin to two points in the second half. Rog Westlund contributed 18 points and Jim Nyberg 14.

The second St. Cloud game found the Huskies edging out Luther college of Iowa 77-73. After being behind 31-30 at half-time, Dave Westlund found himself in the second half and dropped in 16 points and a total of 21 for the night. Rog Westlund and Don Gullikson each had 12 points.

The Huskies also split their games in the Iowa trip before Christmas. They lost to Wartburg 75-58, but trounced Upper Iowa in a rough game 72-62.

Rog Westlund was the top scorer for the Huskies in both games, contributing 20 points in the Wartburg loss. Mike Marion scored 11 and Dave Westlund had 10.

At Upper Iowa R. Westlund tallied for 18 and D. Westlund dropped in 17 points. Mike Marion scored 15 points.

Huskies Play at Bethel; Oppose Moorhead Jan. 18

Tonight, the Huskie basketball squad will take on the Bethel college Royals in a return engagement in St. Paul. Coach Luyem's cagers will be out to duplicate their previous win over the Royals here at Eastman Hall November 24.

Remaining on the Huskie schedule in January are contests at Moorhead, January 18, home contests with Winona, January 23 and St. John's, January 25, and a clash with last year's champion Mankato, January 30, which will be played at Eastman Hall.

Bethel lost many of its varsity players from last year's squad. Coached in this list is Red Kendall, who is currently a member of Coach Kasper's undefeated freshman team.

Mel Nygren, who also played basketball at Bethel last year, has also enrolled at St. Cloud. Bethel's most consistent all-around players have been Gene Messenger and Paul Reden. Other

players on Coach Peterson's squad include Frank Burleson, Howie Rekdast, Dale Shellman and Harold Erickson.

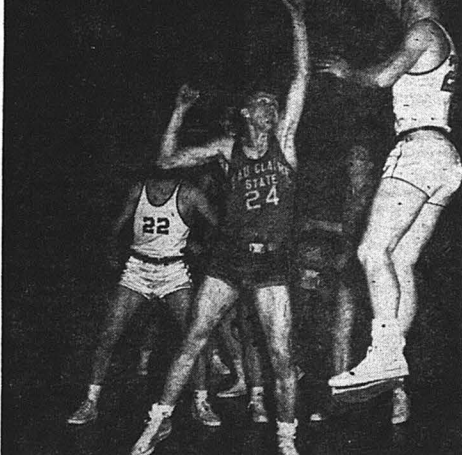

Moorhead will provide the next league competition for the Huskies. A brother combination of John and Don Torgerson have been the main guns in the Dragon attack. They both are forwards.

Other players who have seen action are Haire, a center, and Kavangh.

Last year, John Torgerson finished fifth in league scoring, swishing 216 points in 14 contests for a 15.4 average.

Lost from last year's squad was Roysland, who finished fifteenth in league scoring with a 10.7 average.

Wrestlers Tangle With St. Olaf

By Don Casey
Huskie wrestlers entered the second week of practice following the long holiday lay off with their sights set on Saturday's clash at St. Olaf.

In St. Olaf, coach Glen Gerdas' crew faces one of their stronger foes this season.

Doug Olson, 177 pound champ at Carleton, heads the Ole roster, and it is quite possible that Dick Maeritz will draw the assignment against Olson.

The addition of freshman Everett Ellenwood of Foley has filled the vacancy at 123 pounds created when letterman Charlie was lost for the season. Ellenwood has had no previous wrestling experience.

Sophomore Mel Nygren, a 157 pounder from Minneapolis with limited wrestling experience, is another newcomer to the Huskie fold.

St. John's handed the youthful Huskies their second setback in dual competition, 24-8, prior to the Christmas vacation.

The Results:
123 pounds—Miller (SJ) won by forfeit.
130 pounds—Beal (SC) decisioned Adderly (SJ), 2-0.
137 pounds—Krugger (SC) pinned Flynn (SP), 2-59.
147 pounds—Weber (SJ) decisioned Iversrud (SC), 2-0.
157 pounds—Moga (SJ) pinned Winjum (SC), 2-56.
167 pounds—Thelney (SJ) decisioned Maeritz (SC), 3-2.
177 pounds—Valento (SJ) won by forfeit.

Heavyweight—Kemper (SJ) decisioned Deering (SC), 4-1.

Frosh Cagers Edge Robbinsdale, Bemidji

By Don Casey
Coach John Kasper's strong frosh cagers ran their undefeated streak to six straight games with a narrow win over the Bemidji frosh, 66-64, and the Ostrman Home Builders, 53-52.

The junior varsity journeyed to Bemidji Saturday and ran into a tough crew of Beaver frosh. In fact, the Huskie freshmen had to fight back from a 19-10 first quarter deficit to win.

Bemidji's Mike Bischoff and Garry Smith paced the scoring with 19 and 16 points, respectively, but the balanced St. Cloud attack once again told the story as five frosh broke into double figures.

An interesting aspect of the game was the conversion of Jim Brandt from center to forward, where he performed well, scoring 12 points.

As a tune up for the Bemidji game, the freshmen met the Ostrman Home Builders, a squad dominated by former Robbinsdale high school stars, last Tuesday.

The effects of the long holiday lay off were quite evident throughout the game.

Ed Woody of the Builders was tops in the scoring department with 18 points and the Huskies' Vic Kline was runner up with 15.

Don Dale, one of the state's most heralded prep stars while at Robbinsdale high, could score only seven points.

Prior to the Christmas vacation, the frosh met the cream of the school's intramural teams, setting the Palestine Plow Boys down, 70-64, and edging Brainerd Hall, 55-52.

... Miscellany ...

By Jeanne Zanka

A hearty "hello" to all faithful CHRONICLE readers on this, the twelfth day of the new year's existence. The little fellow already shows promise of being very bright and active in extra-curricular projects.

For example, January 14, 15, 16, and 17 has been proclaimed "Sno Days" and it predicts fun and frolic for everyone. Check this schedule will you? Convo, ice cream social, coronation of the king and queen, variety show, sock hop, hockey game, sno-ball and outdoor fun at Talahi lodge. Of course there is always considerable work involved in a project such as this and this year's chairmen Yvonne Legrid and Jean Zevnick seem to be putting forth their best efforts.

The vice-president in charge of looking out the window confided in me that Chester Lamebrain really pulled a "dilly" in the waning hours of 1953. He moved the P.O. boxes to the basement—as all of us discovered only too soon I'm sure! The audacity of it all—not even providing an elevator! Oh well, Miss Astrup will be kept busy treating burns received from the heat and bronken limbs from congested traffic on narrow stairways!

Shoe hall receives the first medal of distinction for the new year for having two big firsts behind its name. A new carpet laid for the lounge and first floor and only one girl with an engagement ring for Christmas! The girls over there have also adopted a new first commandment: "Thou shalt remove thy overshoes or thy name shall be mud!"

Well perhaps I had better heed the saying of a very wise man: "It is better to be silent and be thought a fool than to speak up and remove all doubt."

Activities

Huskies and the St. Thomas Toms of St. Paul. The event will take place at Brown field, and coffee will be served during and after the game at Shoemaker hall. The coffee hour will be managed and sponsored by Shoemaker hall.

Saturday evening from 9:00 to 12:00, Stewart hall lounge will be the scene of the 1954 Snow Ball. Don Moe and his orchestra have been secured to provide the music for the dance, which is not formal.

Talahi lodge will be the setting for the closing event of the 1954 Sno-Days. The Huskies club is sponsoring an all day snow-fun show beginning at 2 p.m. There will be skiing, tabogganing, and, if circumstances permit, skating on a rink to be built below the hill. The Huskies have installed a loud-speaker to provide music for the outdoor activities. Inside there will be dancing and refreshments. To make the party different, lights are to be set up to put the area aglow, come Sunday evening.

An added attraction to this year's Sno-Days is sno sculpture. Lu Jean Batchter, chairman of the committee has notified the occupants of all off-campus houses and dormitories that there will be a contest among the different places for best snow sculpturing. There will be prizes awarded.

This year's Sno-Days are being sponsored by Shoemaker hall. Co-chairmen of the event are Jean Zevnick, a junior from Keewatin and Yvonne Legrid, also a junior, from Appleton. "Let's all stick around to make this one of the best Sno-Days yet," was Jean's reply for comment, "and I'm sure all will have fun," she concluded.
