Annual 'College Day' Set for Tomorrow

The college will be host to high school seniors tomorrow when students from the surrounding area have the opportunity of visiting the campus for the annual "college day."

Invitations have been sent to the superintendents of schools in the area. The exact number of visitors that will be on campus is not known but the amount is expected to exceed the approximately 500 which viewed the campus last year, according to Mr. F. E. Perkins, coordinator of "college day."

The purpose of the affair is to acquaint prospective students with life on the campus. A complete program of activities, both informative and entertaining has been planned for the day.

The seniors will register between 8:15 a.m. and 10 a.m. Tours of the campus with college students as guides will be conducted during the morning.

Students and faculty members will be available for consultation throughout the day and the visitors will have the opportunity of asking any questions concerning the college that they may have.

A morning convocation has been scheduled from 10:30 to 11:30. The program will consist of talks by President George F. Budd, Dr. Robert Zumwinkle and the president elect of the 1954-55 Student Council. A preview of the spring speech play, "The Male Animal," will be given and the Choral club will present several selections. Pete Peterson will act as master of ceremonies for the program.

Lunch will be served in the cafeteria following the convocation.

Entertainment features of the afternoon will include a dance in the first floor lounge from 1:30 to 2:30 with music provided by an eight piece orchestra under the direction of Ted Edin. A variety show will be given from 2:30 to 3 and dancing will continue from 3 to 3:30.

Committee chairmen who have been working on the plans for "college day" include: Marilyn Kennicutt, Bill Kemp, Jerry Carlson, Joanne Filkins, Lee Drossel, Karen Haugen, Peg McIntyre, Joyce Rueggner, Charles Ernst and Sanford Banker. General chairman is faculty member, Mr. H. S. Berg of the mathematics department.

Faculty Hears Talk On Student Teaching

Dr. Margaret Lindsey of Teachers College, Columbia University, spoke to the faculty members at 10 a.m. Monday on "Nationwide Developments in Student Teaching."

Dr. Lindsey was the main speaker for the state meeting of the Future Teachers of America which was held on campus Saturday.

At a luncheon in the faculty dining room Monday, Dr. Lindsey met with those faculty members who were directly concerned with student teaching.

The election to determine the "woman of the year" will be held tomorrow in Dean Mary Scharf's office. Any woman graduating either this spring or during the summer is eligible to vote or be a candidate for the honor.

Votes should be cast for one person only and should be based on that person's outstanding contributions to college.

The award will be presented at the Honors Day convocation scheduled for the latter part of May. The award for the outstanding woman of the year will also be presented at that time.

Student Teaching Applications Due By Thursday

The deadline for applications for student teaching for next year's fall quarter is Thursday. These should be made with Dr. William Cotton in Room 205.

Students are asked to initiate the application procedure with their advisors.

Athletic Movie Showing Friday

A motion picture in color on "Athletic Injuries—Their Prevention and Care," with head trainers of universities in all parts of the country demonstrating their skills, will be shown to coaches, trainers and members of athletic teams Friday, April 30.

Second Performance Friday

Spring Play, 'The Male Animal,' Set to Open Thursday Night

The spring play production, "The Male Animal," will be given Thursday and Friday at 8:15 p.m. in the Stewart hall auditorium. Admission for college students is 50 cents or an activity ticket, and 75 cents for non-college people.

The play is written by James Thurber and Elliott Nugent, and is a satire on academic freedom and such things as the congressional investigations of colleges and universities that are going on at the present time.

Professor Thomas Turner, played by Geore Ruettimann, is an easy going, scholarly professor in a small midwestern college. He gets into a great deal of trouble over a controversial letter that he wants to read to one of his literature classes. The trouble starts when Michael Barnes, a student at the college, writes an editorial in the college literary magazine about the letter. The role of Michael is taken by Clyde Lund.

To add to the professor's troubles, Joe Ferguson, former football star at the college and once engaged to the professor's wife, comes back for the big homecoming festivities. The situation between Joe and Ellen Turner, the

professor's wife, becomes quite complicated. Lyle Schmidt takes the part of Joe and Mary DeLong plays the part of Ellen.

To add to the general confusion, Michael is in competition with Wally Myers, the football hero at the college. They both want the attention of Patricia Stanley, Ellen Turner's young sister. Wally is played by Donn Mattson, and Joanne Filkins plays the role of Patricia.

John Fremling plays the part of Ed Keller, member of the board of trustees at the college. Ed's wife, Myrtle, is portrayed by Colleen Nilan.

Doctor Damon, dean of the college, finds that he has to take a stand in the matter of the letter, and his decision influences the outcome of the situation. Dean Damon is portrayed by Don Malmgren, and his wife, Blanche, is played by Harriet Whipkey. Other characters in the play include Cleota, the Turner's colored maid, played by Judy Peterson; Nutsy Miller, the college band leader, played by Dick Frie; and a newspaper reporter, played by Vernon Krier.

In a review of the play after it's

Broadway performance, the New York Daily News said that "The Male Animal is the best comedy since Life With Father." The New York Post stated that "The play is literate and almost continuously amusing."

Students involved in the non-acting phases of the production include Gretchen Zimmermann, Pat Vollbrecht, Pete Peterson, Mary Schroeder, Fath Hedman, and Marilyn Kennicutt.

Besides their acting duties, Lund, Krier, and Malmgren are also working on technical aspects of the production.

Counseling Classes Now in Session

Classes in counseling are now being conducted in order to prepare upperclassmen for their work next year with freshmen students.

Dean J. J. Weismann and Dean Mary Scharf are conducting the courses which meet every Tuesday at 4 p.m.

Membership in the classes is made up of students recommended by past counselors and faculty members.

Comic Opera, 'Don Pasquale' To Be Given Monday Night

"Don Pasquale," a comic opera sung in English, will be presented in the Stewart hall auditorium next Monday evening at 8:15 p.m. The opera is one of the regularly scheduled evening convocations.

The entire production is presented by the Mannes Opera company of New York City. The professional cast includes Stanley Carlson, bass in the title role; Donald Grobe, lyric tenor; Richard Brode, baritone; Robert Sommer, baritone; Shirley Pringle, soprano; and Deborah Alden, soprano.

Members of the cast are under the leadership of Ralph Herbert, stage director of the Mannes Opera workshop, and Otto Guth, musical director. Mr. Herbert recently appeared in the NBC television performance of "The Marriage of Figaro." He sings regularly with the New York City Opera company. Mr. Guth will play the piano accompaniment for the program.

The opera, written by Donizetti in 1843, takes place in a seventeenth-century drawing room. The story focuses on the plight of Don Pasquale whose heart leads him into a series of situations which seem hilarious to everyone except himself.

Mr. Carlson, who assumes the leading part, is also a regular character actor with Jose Ferrer in his New York City Center productions. During the past theatre season he appeared with Ferrer in "Cyrano" and "Richard III." He has had Broadway leads in "My Darling Aida," "The Cat and the Fiddle," "Showboat" and "The Connecticut Yankee."

The company's tour is arranged through the Concert, Theatre and Lecture service of the University of Minnesota.

Cast for opera, "Don Pasquale".

Health Council Asks Students for Opinions on Proposed Health Insurance

Questionnaires will be distributed to the students this week in regard to the proposed student health insurance plan. The purpose of this is to determine whether or not the majority of the students are in favor of the program, and if so, what provisions should be included.

The faculty and students of the Health council have considered the adoption of a group insurance plan for some time but they want to obtain more views on the subject. The council pointed out that perhaps few students know that persons over 18 years of age are no longer covered by family insurance policies.

If the general opinion is in favor of such a program the council also wants to determine what type should be employed. Such questions as "Should an accident plan alone be adopted or should it contain both an accident and health plan?" will be asked.

Director, Author Visit Library

Among the visitors at the library during the past week were Dr. David Bernighausen, director of the Library School at the University of Minnesota, and Mr. Bernard Devoto, author and lecturer.

Because the library is visited so frequently and often times unexpectedly, Miss Grannis, head librarian, has asked the cooperation of the students. She has requested that the magazines be placed back on the racks, that paper be placed in the baskets and that other courtesies be observed.

An accident insurance plan alone would offer up to \$500 expense reimbursement for each injury. The cost of the policy would amount to approximately two dollars per quarter.

The combined accident and health insurance offers the same amount plus up to \$450 for each illness. The cost of this plan would amount to approximately four dollars per quarter.

The cost of a student group plan would amount to about one-fourth the amount of an individual policy.

Should the reaction of the students prove favorable to either of these plans, other questions also come up. The council stated that they wish to know if the students prefer merely school term insurance or year around coverage and also if quarterly payments would be preferable to lump sum payments.

The council also pointed out that the program could be operated on a voluntary basis or it could be obtained cheaper with full participation.

Croxton Speaks at Annual Science Meet

Dr. W. C. Croxton, chairman of the Division of Science and Mathematics, was the main speaker Saturday morning at the annual meeting of the National Council for Elementary Science at Jefferson school in St. Paul.

Dr. Croxton's subject was "Needed Research in the Teaching of Elementary Science." The talk will be published later in the professional journal, "Science Education."

Library Receives Additional Books

The library has received several new books dealing with a variety of subjects.

A tale of the Kentucky hill country is "Good Spirit of Laurel Ridge" by Jesse Stuart.

"The Hour Awaits" by March Cast is a story of Princess Victoria of Babenberg and an account of her 24 crowded hours.

"Living your Dog's Life" by Ramona Albert tells dog owners how to understand and enjoy their pet. The author points out methods of teaching them to retrieve, track, heel and sit.

A book containing favorite and familiar stories of Sherwood Anderson is entitled "The Sherwood Anderson Reader." It contains approximately 60,000 words of unpublished pieces, including the life of Lincoln, "Father Abraham," which was found after Anderson's death.

Two theatrical books are "Great Stars of the American Stage" and "Theatre Pictorial." The former features more than 150 stars with full page portraits and groups of pictures from childhood through the highlights of their careers. The latter is a history of the world theater recorded in drawings, paintings, engravings and photographs.

The full-length scripts of Bishop Fulton J. Sheen's television program are found in his book, "Life is Worth Living." The Bishop gives his views on a variety of subjects ranging from the character of the Irish to the handling of teen-agers.

Vet Enrollment Now Totals 209

Veterans enrolled at the college now number 209. This figure represents a general increase in the number of former GI's now attending college according to Dean J. J. Weismann.

The highest total of vets enrolled, however, was 575 which was reached from 1946 to 1949.

Reservation Deadline

Students wishing to reside in Brainard hall may make reservations in the office of the Dean of Men from April 26 to May 1.

The students who have been selected to attend are Mariyce Settergren and Harriet Mesenburg. They will be guests of students at Valley City and will take part in the discussion groups.

Miss Grace Nugent, as incoming president of the regional unit, has been in charge of the program for this year's meeting.

Mr. Alvin Schelske, principal of Riverview school, will be the chairman of a panel on the role and function of the campus laboratory school.

Dr. Roy Edelheit will deliver a paper at the meeting on research in laboratory experiences. The chairman of this group will be Dr. Frank Steeves, former college faculty member who is now director of student teaching at the University of North Dakota.

Other faculty who will attend the conference are Miss Charlotte Curran, Miss Florence Dunn, Miss Beatrice Williams, Dr. Floyd Perry, Robert Stevenson, Richard Melnz, and John Talbot.

Thinclads Enter St. John's Meet

Coach Glenn Gerdes' Huskie track squad will return to action on Friday when they take on St. John's at Collegeville in a dual meet.

The Johnnies will be somewhat of an unknown quantity since they did not compete in the Carleton Relays as originally scheduled. St. John's will have an advantage in both experience and depth, however.

Gerdes' club opened their 1954 campaign last Wednesday in the Carleton Invitational and finished seventh in the eleven team field.

Bob Pernu took second in the shot put and Don McKay placed third in the mile to account for the Huskies' seven points. Pernu's effort in the shot broke the old Carleton record, but Kuehni of Mankato won the event and set the new record of 45 feet 8 inches.

The meet did give Gerdes his first look at the Huskies in competition and it seems likely that the squad can be improved through a few changes in the line up.

Mankato won the relays with a total of 85 1/2 points.

St. Cloud's baseball team, composed primarily of many new players, opened its schedule by dropping double headers to St. John's, 1-0 and 9-2, and Eau Claire, 11-1 and 8-5.

Errors played a predominant role in conference losses to Eau Claire. In the second contest, played last Saturday at the Rox ball park, the Huskies committed five boo-boos, which accounted for most of the Eau Claire runs in the fifth frame.

St. Cloud held a 4-2 lead going into this inning. The Blue-Golds capitalized on several Huskie errors to score four runs and assume a lead which they never relinquished.

The first game found the Huskies with the bases loaded in the first and third innings, but base hits were scarce and no runs scored.

Galuska got the only home run of the game, a long wallop over the left field wall in the sixth inning of the first game.

Pete Finelli, ex-Fargo-Moorhead hurler, started on the mound for the Huskies in the first contest. He was relieved by southpaw Ron Arndt and Harvey Heuring, and was charged with the loss.

Dell Bethel, who previously pitched for the Minneapolis Millers, went the distance in the second contest.

St. John's used effective pitching in the first game and heavy hitting in the night cap to stun the visiting Huskies last Wednesday.

Pete Finelli allowed only four hits in three innings of the opening game. Ron Arndt relieved, and was charged with the defeat as the Johnnies scored one run in the eighth inning of a regularly scheduled seven inning contest.

Ted Grams started for St. Cloud in the second game, but had to be relieved by John Houtz as the Johnnie batsmen began to measure the slender right-hander's deliveries. This contest was limited to five innings.

Harry Baum led the Huskie sluggers in the first game with two hits in three trips to the plate. Rollo Black was next with one for two.

In the second game, freshman Bob Kosel collected one for two to lead in the hitting department. John Houtz and Duane Christopherson scored the lone Huskie runs.

Baseball Squad Decided; Schedule Continues Today

Twenty-two players will clad themselves in Huskie baseball togs in preparation for today's non-conference encounter with Carleton college. The game is slated to start at 2:30, and will be played at the Rox Stadium.

Coming contests will be with Stout Institute at Monomonic, Wisconsin on May 1, and a return engagement with St. John's at the Rox Stadium on May 3.

Coach John Kasper announced that the lineup will remain at twenty-two, but the traveling squad will probably consist of around fifteen players.

Here is a rundown on the complete lineup as it stands at the present time.

Pitchers: Dell Bethel, Ed Meyer, Ted Grams, John Houtz, Pete Finelli, Rog Hagstrom, Harvey Heuring, and Ron Arndt.

Catchers: Bob Hawkins, Virg Deering (outfield) and Chuck Frannenstein.

Infielders: Dave Westlund, Bob Kendall, Jerry Reichel, Bob Kosel, Mike Marlon, Rollo Black, Ray Hyttinen and Duane Christopherson.

Outfielders: Don Cash, Harry Baum and Harry Dvorak.

Little has been determined about the future of this year's baseball squad. "More will be known about the team after they play a few games," was the only comment that Coach Kasper would make about the squad.

The long ball hitting of first-baseman Dave Westlund, and the return of utility infielder Bob "Red" Kendall have been the brightest developments of the past few week's drills.

State FTA Conference Meets on College Campus

Student representatives from high schools and colleges met on campus Saturday for the third annual state Future Teachers of America conference. The FTA chapter here acted as the host.

Featured speaker at the day-long event was Dr. Margaret Lindsey, professor of education at Columbia Teachers college, New York City.

In her talk, Dr. Lindsey told of the great challenge of teaching as a career. She warned those present that regardless of the attacks made on the teaching profession, those of the profession must defend it.

She pointed out that it is the teaching profession that prepares "all of the children of all of the people" for their life-long work.

Another speaker at the conference, Mrs. Inga Cragg, Minnesota Education association field director, told of the goals and the ideals of the Future Teachers of America.

Elected state officers for the coming year were Paul Britton, a student at Augsburg college, president; Joann Schmidt, University of Minnesota, vice-president, who also held this same position last year; Paula Teske, Hibbing high school second vice-president; Nancy Newhouse, Macalester college, secretary; and Marsha Sorenson, Rush City high school, treasurer.

Wilma Roberts, member of the St. Cloud chapter, had been a candidate for the office of state first vice-president.

During part of the day members attending the conference divided into discussion groups which met in Stewart hall rooms. The main meetings were held in the David Kiehle library.

Charles Lefkowsky was in charge of arrangements for the conference. Students helping with arrangements were Wilma Roberts, Doris Schuette, Shirley Buelow, Shirley Gruenert, Ethel Myrn, David Gary, Doris Nelson and Barbara Lamp.

Students, Faculty Attend ACE Meeting

Fifteen students and 2 faculty members journeyed to St. Paul April 20 to attend the ACE International meeting.

Darlene Todd and Janette Tollefson are attending the convention all week as student representatives. Miss Frances Neale and Miss Ruth Moserip are the faculty representatives. All four will participate in study groups.

Highlight of the trip was the illustrated talk on "Children—How They Learn" by Dr. Willard Olson. The talk was followed by square dancing.

Students attending were: Dorothy Carlson, Ardy's Hinderks, Elaine Lundeen, Aletha Blattner, Marilyn Weseloh, Joan Lofquist, Arthur Schoenborn, Joan Evjen, Margaret Janzen, Tom Norman, Mary Lou Beerling, June Olsen, Lorene Kolhel, Charlotte Zvorkak and Adeline Rosell. Floyd Perry and William Cotton of the faculty accompanied them.

Student Council Minutes

The Student Council meeting of April 12 was called to order at 7:00 p.m. by President David Jerde. The minutes were read and approved. Roll was taken and 10 of 16 members were present. Six of the absent members were visiting Concordia St. Mary's, Winona Teachers college and Moorhead Teachers college.

The first business of the evening was the appointment of next year's auxiliary Homecoming chairman. After Amy Dale, Lars Peterson, J. Yates, Jim Harris and R. Zumwinkle were nominated, John Cleveland moved nominations cease. Lee Droued seconded. In voting, R. Zumwinkle was chosen as chairman, pending his acceptance. John Cleveland moved we ask J. Yates if Mr. Zumwinkle finds it impossible to accept. John Mans seconded and the motion carried.

Plans were made for the nominating of next year's Student Council officers. The nominating will take place Wednesday, April 21, at 11:10 a.m. in the auditorium at a special convocation.

At the next Council meeting the spokesman from each of the groups that visited other colleges will give an oral report.

President Jerde asked John Cleveland to see if the calendar of events bulletin could be moved downstairs by the new post office.

Alan Cornell moved we adjourn. Bob Holger seconded and the meeting adjourned at 8:00 p.m.

Respectfully submitted,
Peter Peterson, secretary

Dr. Rowland C. Anderson, as chairman of the Interfaculty Policies committee, presided at the general session which opened the conference at 9:30 a.m. Friday.

Speakers included Dr. George Rosenlof, dean of admissions at the University of Nebraska; Dr. Guy Curry, director of an experimental project being carried out by the teachers colleges of Arkansas; and Dr. Joseph Kise of Moorhead, president of the Minnesota Educational association.
