Annuals to Be Given Out All Day Thursday, Friday

Distribution of the 1954 Talahi will begin at 9 a.m. on Thursday and continue until 3 p.m., according to Editor Norb Lindsag. Hours for distribution on Friday will be the same.

In order to get a Talahi free of any additional charge, a student must have been enrolled full-time during the entire three quarters of the current school year. For those students entering college at the beginning of the winter quarter there will be an additional charge of one dollar; and a charge of two dollars for those entering at the beginning of the spring quarter.

The reason for this policy, adopted by the Publications Board, is that annual production costs come from the Student Activity fund at the rate of one dollar per quarter, and students not enrolled during the full year did not pay as much into the fund as others.

The yearbooks will be distributed at the main floor ticket office of Stewart hall, and students are asked to obtain their copy during one of their free hours. Distribution will be carried on both Thursday and Friday.

According to Survey

Students in Favor Of Health Insurance

The majority of students at the college are in favor of some form of student health insurance, according to a survey conducted by the Health council.

Questionnaires were distributed to students at 9 a.m. on Wednesday, May 5. The results show that of the 626 students who answered questions, 505 indicated that they were in favor of a student insurance plan.

As to the other questions pertaining to the program, 457 said they favored both accident and health insurance and 36 stated they wanted only accident insurance. The majority also felt that yearly coverage would be better than school term coverage and that quarterly payments would be preferable to lump sum payments.

Definite plans as to setting up a student insurance program here at the college have not been completed as yet, according to Miss Lillie Astrup of the Health service. The Health council meets this week to consider the problem.

Miss Astrup pointed out that if this preliminary survey was an indication of the number of students that want to be covered by the insurance, the plan would certainly be desirable. "The students must want the insurance if it is to pay," she said.

It is possible that another type of survey will be conducted to determine the number of students who would actually be willing to pay the cost of the insurance plan. The cost would amount to approximately four dollars per quarter for full coverage or two dollars for only accident insurance.

Miss Astrup indicated that the Health council was anxious to complete all preliminary measures if the program is to be put into operation. "We will be working on it and it will probably be ready to go by next fall," she said.

Successor to John L.?

Nicholson to Attempt River Swim

It's about that time of the year when "Old Man River" is conquered once again. In past years bands blared, spectators cheered, and CHRONICLE typewriters clicked as John L. ascended from the cold, mucky water of the great Mississippi River to acclaim his hard won victory over the "Old Man." John L. would, with his masculine physique grease-covered, modestly acclaim victory and ride triumphantly in the victory parade back to Stewart hall.

The time is here alright, but where is John L.? Why did he leave at this important time in the year? News has it that John L. has selected a successor to swim the waters this year. "Bones" Nicholson, might not be John L.'s double in appearance, but maybe he can swim! At least he better be able to swim, or else we could have the band and spectators wait for him by the dam.

Regardless of Jack Nicholson's capabilities, he will make an attempt. He will, of course, expect the usual crowds and trimmings connected with the event of old. The big plunge will be held Thursday at approximately 3:30 p.m. and will supposedly end up on the opposite side of the river. Nicholson is (was?) a sophomore from Russell, Minnesota.

Brendan McDonald is again acting as coach and will row the boat, just in case????

Memorial Day Convo Set for Monday

The annual Memorial day convocation will be presented next Monday morning at 10 a.m. in the Stewart hall auditorium.

Students are asked to note the change in convo schedule from Tuesday to Monday morning. Morning classes for these two days will be switched around.

Featured speaker at the convo will be Mr. Nate E. Keller, Commander of the American Legion, Department of Minnesota. His address will be entitled "Memorial Day 1954."

Other parts of the program will include a group of songs by Mrs. M. K. Dahl; invocation and benediction by Rev. Ned Kuyper, chaplain at the reformatory; and "Tape" by Jack Dainsberg, student at the college. Organist will be Miss Ruth Gant of the music department.

Mr. O. J. Jerde of the social studies division is in charge of the program. "We extend an invitation to all veterans organizations to have representatives at the program," he stated.

Former Student Wins Photography Award

Cletus Hohn, graduate of the University of Minnesota and former student at St. Cloud Teachers college, has received the first place award for the best "spot news" photography in the annual state contest sponsored by the Associated Press. Twin Cities newspapers do not compete for awards.

Schmidt Thanks Formal Helpers

As spokesman for the junior class, I would like to take this opportunity to publicly thank the many people responsible for the success of the Spring formal. Special gratitude must go to Miss Pat Kirscht and Mr. Gene Hanson who so well directed and coordinated the excellent efforts of the committees. A special note of appreciation must also be given to the administration and chaperones for their cooperation in the promotion of this affair.

But one must go beyond the integrating mechanism of a formal and show appreciation to those who in the final analysis really make or break an effort of this type—those who attended. It's all of you, a sincere thank you.

—Lyle Schmidt, Pres. of Jr. Class

Two Students Attend Governor's Council

Two students, Jerene Doering Mortinson and Norb Lindslog, took part in the governor's Advisory Council on Children and Youth held May 7-8 in Minneapolis.

PEG Works to Improve Professional Education

By DeLoris Henz

Most students know of the new full time off-campus student teaching program but few could name the organization which promoted the program and is working continuously on improvement of professional education at the college.

The Professional Education group on campus is composed of those on the faculty teaching education, psychology and methods courses or those who have any connection with professional laboratory experiences. All departments of the college are represented.

The basic purpose of PEG is to improve professional education through sharing ideas on common problems and working together toward their solution.

The first meeting for the 1953-54 school year was held last October. Since that time approximately 565 man hours have been spent working in small committees and in the monthly meetings of the total group.

Lambda Chi Elects Officers; Plans for Annual Frat Formal

Lambda Chi Beta fraternity elected officers for the coming year at a meeting held last Wednesday night. The new officers include: John Mann, president; Jerry Carlson, vice-president; John Cleveland, secretary; and Gene Hanson, treasurer.

Plans are also nearing completion for the fraternity's annual Spring formal and banquet to be held at the Palms on Saturday night. Music for the dance will be provided by a small combo from Minneapolis.

Faculty members and their wives who have been invited to attend the affair include President George J. Budd, Mr. John Kasper and Mr. Lars Peterson.

Frat members in charge of planning for the formal are Jerry Carlson and John Cleveland. They reported that all women will be given 2 a.m. nights.

According to an evaluation made last year members of individual groups feel that the idea behind PEG is sound and timely and that the organization has pointed to the need for closer cooperation among all members of the faculty. Members also feel that the formation of PEG provides an opportunity of presenting a number of issues to a large group for an exchange of viewpoints, which results in some changes, progress and improvement.

Through cooperation between groups, progress has been made in the understanding and appreciation of other departments on campus. PEG has provided an opportunity for staff members to discuss and solve problems common to professional education and helped members become acquainted with viewpoints, observations and experiences of co-workers.

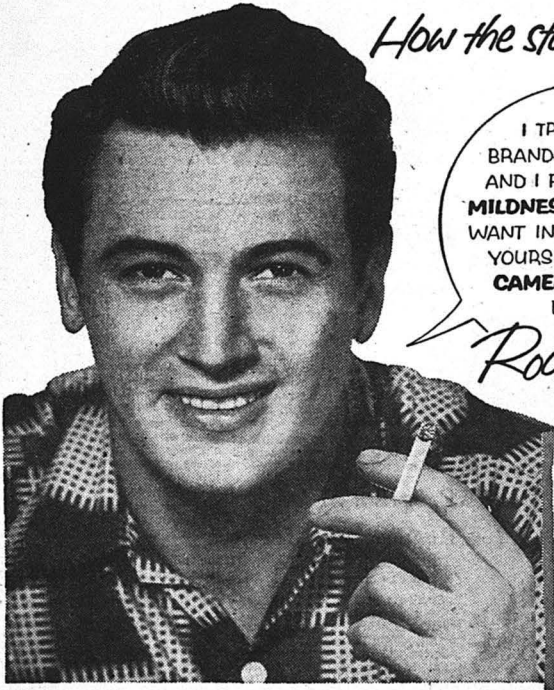

Typical comments concerning new work of PEG as a whole were similar to: "Focused attention on our primary purpose—the preparation of teachers;" "Hope that it will continue—so that an exchange of views, philosophies, etc. may be facilitated."

Co-chairmen of PEG for this year are Dr. Floyd Gilbert, Mr. A. H. Schelske, and Dr. William Cotton. Serving as chairmen of small work groups are Dr. Roy Edelfelt, Dr. Marvin Holmgren, Dr. Victor Lohmann, Mr. Richard Meinz, Miss Mary Peterson, and Dr. J. W. Yates.

St. Cloud's golf squad won its first match of the year by downing Bemidji 8½-6½ last Wednesday at the St. Cloud Country Club.

The Huskies will journey to Bemidji Saturday to compete in the Minnesota State (Teachers) college golf meet. Mankato will again be favored to take the conference title, which will be a repeat performance of last year's championship won at St. Cloud.

Friday night's contest is with LaCrosse (Wis.) Teachers college, and is scheduled to begin at 8 p.m. Mankato will furnish the opposition Saturday in contests scheduled to start at 1:30. Both games will be played at the Rox stadium.

Net Huskies Clip Bemidji

By Lloyd Olson

A steadily improving St. Cloud Huskie tennis team won its first match of the year against a game but undermanned squad from Bemidji last Wednesday afternoon on the college courts. Three singles and two doubles victories put the Huskies on top 5-1.

The number one man, Bob Iversrud, dropped Bob Buck 6-0 and 6-2. Leroy Lauer defeated Earl Bartz 6-1 and 6-3. Jerry Smith outlasted Bob Baker 6-3 and 8-6.

Tom Neis lost a hard fought two hour marathon to Bub Smith 8-6, 9-7 and 6-0.

Iversrud and J. Smith teamed in the doubles to win 6-2, 6-8 and 6-4. Lauer and Cashman added the final point by winning 7-5, 6-2 and 6-2.

The Huskies are playing a return match with Bemidji today. They will also participate in the Teachers College conference at Bemidji Saturday, May 22.

In the Bi-State meet held last Saturday at Winona, the Huskies finished in a tie with Winona for third in a four team meet.

Iversrud lost to Tronson, the number one Mankato singles player, 6-1 and 6-2. J. Smith lost his singles to Dison 6-2 and 5-3.

Tracksters Take Second In Bi-State Conference

Coach Glenn Gerdes' Huskie track squad continued to show rapid improvement on Saturday when they placed second in the Bi-State conference meet at Winona, far behind Mankato's powerful club.

Mankato staged an awesome display of power, taking first in every event with the exception of the two mile run, to compile a total of 127½ points as compared to the Huskies' 38½.

Winona finished third with 17½, River Falls was fourth with 12½ and Eau Claire was last with nine. The 880 yard relay team, Bob Pernu in the shot and Mel Nygren in the 440 were the only Huskie entries to place second. Mary Brown was also a big man for the Huskies with three fourths and as a member of the relay team.

Pernu broke the shot record by more than 20 inches but lost to Kuehl of Mankato who broke his own record with a throw of 46

feet 9¼ inches. One of Pernu's efforts went 47 feet 8 inches but a foul nullified the throw.

The Huskies met St. John's in a dual meet yesterday at the Selke field track.

Huskies Sweep Bemidji; Split With River Falls

By Dell Bethel and Stu McCoy
Dave Westlund's tremendous right field home run broke up a 4-4 tie in the last of the seventh inning and gave the Huskies a 5-4 victory over Bemidji in the first game of a twin bill at the Rox ball park Wednesday afternoon. The Huskies also took the second game 9-5, for a clean sweep of the series with the Hawks.

A three run outburst in the fourth inning of the second game gave St. Cloud an even split in last Saturday's double header with the River Falls Falcons. St. Cloud won 8-3 after dropping the opener 7-3.

In Wednesday's first game Bemidji assumed a three run first inning lead, and held the advantage until the bottom of the second inning.

Deering opened the second with a double, followed by Reichel's two

bagger, scoring Deering. After Black walked, Bethel bunted safely to load the bases and two more scored on Bobby Kosel's sharp single to left.

St. Cloud scored one in the third to take a temporary lead. Bemidji tied the score in the top of the seventh, and set the stage for Westlund's story book finish homerun in the bottom of the seventh.

Ted Grams scattered seven hits in the seventh inning night cap. St. Cloud got off to a fast start, scoring five runs in the first inning and two in the second to hold a 7-1 lead.

Bemidji narrowed the gap to 7-4 in the top of the fifth, but the Huskies scored two in the bottom of the inning to insure the win.

The conference double header found the Huskies collecting 11 hits off four River Falls pitchers. Right-hander Dick Passen went all the way in the first game scattering eight Huskie hits.

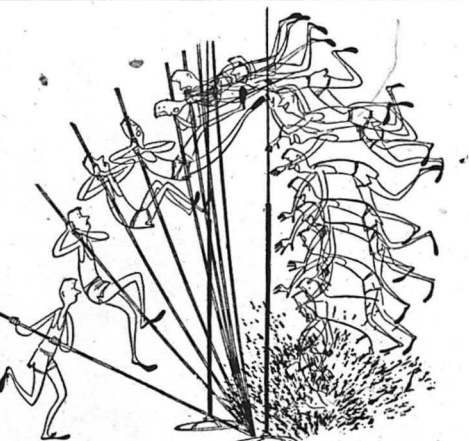

Dell Bethel started for the Huskies, but had to be relieved in the fifth when the Falcon batters began to measure his wide breaking curves. Lefty John Houz relieved and gave up five scattered hits during the remainder of the seven inning contest.

Virg Deering led the Huskie batsmen with the hits for three times at bat. Jerry Reichel had two hits for three times at bat.

St. Cloud scored in the second inning when Reichel singled Deering home, and Bethel drove Reichel across with a duplicate single. The last Huskie run came in the fourth inning when Reichel again singled, scoring Deering.

Ron Arndt gave up four hits in the night cap as he posted the Huskies' first conference win. St. Cloud held a slim 3-0 lead going into the third inning. First baseman Dave Westlund drove a hard double down the right field foul line, driving in Reichel from first base. Hawkins walked, and Westlund scored on Virg Deering's ground out to first. Bob Hawkins, who had advanced to third on the previous play, scored the final run of the inning on a wild pitch.

The Huskies scored three more in the sixth to add needed insurance to their winning total. Westlund and Pfannenstiel let the club offense with two hits in four trips to the plate.

These blanks list such features as architecture and library maintenance.

Criticism will be submitted to the library committee. Miss Grannis and Miss Mamie Martin will then present the criticisms to the Buildings Committee section of the American Library association that will be held in Minneapolis this June.

TODAY'S QUIZ

WHAT MAKES A LUCKY TASTE BETTER?

"IT'S TOASTED"
to taste better!

A Lucky tastes better for two important reasons: 1. Lucky Strike means fine tobacco...light, mild, good-tasting tobacco.

2. That tobacco is toasted to taste better. "It's Toasted"--the famous Lucky Strike process--tones up Luckies' fine tobacco...makes it taste even better--cleaner, fresher, smoother.

That's why a Lucky tastes better. And naturally, better taste is why thousands of college students prefer Luckies to all other brands.

So, enjoy better taste. Be Happy--Go Lucky!
