ST. CLOUD STATE COLLEGE

Volume XXXXI, No. 33

President Budd To Speak To Parents

"It is a privilege for the students" to have President Budd speak to their parents, according to Mrs. Mildred Jones, assistant dean of students. In his welcome and commentary for Parent's Day, May 3, at 2:30 p.m., Dr. Budd will discuss many of the new changes in the academic standards and admissions policies of St. Cloud State, and emphasize the areas of pride in the school. During the program the concert choir and band will perform.

Other events planned for the day include a dinner in the college cafeteria and Mitchell hall snack bar from 11 a.m. to 1 p.m. and a swim show by the Synchronettes in Eastman hall pool at 4:15 p.m.

A program of slides depicting "Campus Life at St. Cloud State" will be narrated by Mr. Walter Larson at 2 p.m.

All dorms will be open, and at 3:30 p.m. all residence halls will have a social hour. Kiehle library will also be open at this time. Other open houses at the same time will be held at the respective religious centers, including Newman, LSA and Wesley.

To improve on past successes on Parent's Day the office of student activities urges the entire student body to write to their parents encouraging them to attend this event.

1964 marks another change in the execution of Parent's Day. For the first time it is being handled solely by one organization, Alpha Phi Omega, with assistance in some areas from Alpha Phi and Gamma Sigma Sigma. Co-chairmen for the event are Duane Radeke, Mora, and Fred Neth, rural St. Cloud. Other committee heads include, Thomas Hamann, displays,

Cast Picked For 'John Brown's Body'

A cast of ten men and six women has been selected for the SCS spring theater production, the dramatic narrative, "John Brown's Body." In addition to this speaking cast there will be a fifteen member musical chorus which has not yet been selected.

According to Director Arthur Housman, "I was so pleased with the variety and range of voices and actor personalities that we have, that I felt we could use more of our talents than was conceived in the original script which contained only three principal acting parts."

Handling the male roles will be Dick Talbott, James Pehler, Tom Honer, Merald Nesje, Tom Tammi, Tom Bushee, Tom Corbett, Curt Workman, Barry Johnson, and Gert Reed. The female roles will be handled by Helen Paul, Jean Mohr, Carol Senty, Emilie Quast, Chris Friant and Ramona Vande Vee-gaete.

Alexandria; Leroy Pokornowski, program, Silver Lake; John Hellckson, resources, St. Paul; and Thomas Balesiefer, publicity, White Bear Lake.

Publications Applications Accepted

Applications are now being accepted for five positions in student publications during the 1964-65 school year, according to Ray Rowland, chairman of the Student Publications Committee.

The positions are business manager for the Talahi, business manager for the Chronicle, and literary editor, art editor and business manager for Parallels.

The Talahi business manager receives a \$40 honorarium for promoting, selling and distributing yearbooks the fall and spring quarters. No work is required during the winter quarter. He also receives a 10 percent commission on all books sold over 800 copies.

The Chronicle business manager receives a \$150 honorarium for handling advertising sales and newspaper distribution during the school year. In addition, he receives a 10 percent commission on all local advertising sold.

The Parallels editors and business manager receive \$25 each for their work on the art and literary magazine. If two issues are published, the honorariums will be doubled.

Application forms are available in Room 116, Stewart hall. Applications must be submitted by noon Thursday, May 14, and candidates will be interviewed by the committee at 4 p.m. that day in Room 114, Stewart hall.

Measurements Must Be Taken

Measurements for caps and gowns are now being taken at the Stewart hall bookstore for all students and faculty participating in spring quarter graduation exercises.

A fee of \$3.50 must be paid at this time for students taking part in the exercises. Measurements must be made before May 1.

Light Turnout Marks Annual Senate Filing

Sparse turnouts marked the filing for the 1964-65 student senate filing last week. Twenty-seven students filed for 21 positions, eliminating the need for a primary.

Leading the list of candidates is Nancy Pew, Miss Pew is completing a one-year term as senator-at-large. Edmund "Tuck" Young withdrew as a presidential candidate early Monday morning.

Barry Eklund is the only candidate for vice-president. Eklund has also served in the senate for one term.

Other officer candidates include, Jim Colletti, treasurer; Midge Puke, campus coordinator; and Richard Talbott, National Student Association coordinator.

Other candidates for senator-at-large include: Jeanne Ployhart, Suzan Baker, Alden Lange, Emmanuel "Dele" Adeninto, Emy Grant, Karle VanOrsdel, Patricia Hayft, Richard Shoen, Michael Kosbie, Nancy Baum, James Hovanetz, Dave "Wop" Allivato, Ron Klaphake, Dennis Allmon, James Morris, Ted Hovey, Brian MacNeill, Carole Jerzak, Marilyn Miller, Dennis Sullivan, and B. James Berg.

Senate elections are scheduled for April 29. Because of the absence of the primary the committee has decided to allow campaigning from now until the time of the election.

Students Named To Committees

Final committees have been chosen for New Student Days, which will take place next fall September 20-22. Co-chairman for this event are Nancy Pew and Richard Shoen. Judy Lewandoski will serve as secretary, and the treasurer will be Robert Asleson.

Other committee heads are: Vicki Sportelli and Tom Clark—social hour for parents; Pat Jarrot and Douglas Paulson—President's Reception; Carlene Widmer and Darrel Van Orsdel—welcome convocation; Nancy Decker and Mike Dingman—student life convocation; Beth Weber and Dick Swisher—special interest areas; Pat Sheldon—entertainment on Monday, and Gary Reed—entertainment on Tuesday.

The publicity committee will be headed by Rita Mityling and Kathy Hogan; academic convocation—Sonja Anderson and Bruce Wiegert; beanies—Judy Buck; Semi-Formal—Joan Kiewel and Jim Barry; and transfer—Karen Sommers and Al Lange.

Film On Cuba To Be Shown

PISTOL PACKIN' MAMA: A Cuban mother in her militia uniform totes a .32 caliber revolver, as well as her baby daughter. Scenes of everyday life in Cuba, and how the revolution has changed it, are among the many vital subjects touched upon in "Inside Castro's Cuba", the all-color motion picture which will be narrated here in person by producer and lecturer, Robert Cohen. Traveling with authorization by the U.S. state department, Mr. Cohen returned from Cuba with the first feature length documentary to be made there by an American since Castro came to power. The film will be shown at 8 p.m. Wednesday in Stewart hall auditorium.

Cohen also has produced full-length documentary films on conditions in East Germany and Red China, completed assignments for television networks and made photo stories which have appeared in many American and European publications.

Young Drops Candidacy For Senate President

Edmund "Tuck" Young will not be a candidate for the student senate presidency, the Chronicle learned Monday morning.

In a prepared statement Young said "it was against my better judgment that my name be offered as a candidate for president of the student senate."

"This petition," he continued, "was in essence, a draft by many presumably responsible students interested in acquiring capable leadership necessary for the office of president."

Young commented, "There are several basic reasons why I choose not to be a candidate. First, achieving and maintaining a record of academic excellence is my primary objective at this institution."

Young also stated that it was necessary for him to maintain a part time job while in school, and "the student senate presidency is a full-time job."

Commenting on previous elections, Young stated that they "have been characterized by and permeated with slanderous and malicious accusations. I choose not to be associated with this type of activity."

"The defined role of our

student government as an advisory group is a result of their inability to deserve a more responsible role in the educational processes. Administrative regulation in the past has been in part a necessity as a result of some students' actions. Granted, students should anticipate in the formulation of activities which concern their welfare, but only when the students prove their ability to function rationally and responsibly."

"Whereas I have endeavored to serve students in a responsible manner in the past, and I am permanently committed to provide a responsible form of student government in the future: it is my ambition to be associated with the new judicial branch if it ever becomes a reality."

Young expressed his thanks to those who signed his petition and offered their support. He said that their support was "truly appreciated."

NSP Parking Lot Open Again

The NSP parking lot (No. 3) is again open for parking, according to information received from the bureau of physical resources. The ground has dried out sufficiently to allow parking on the entire lot, except for the northeast corner.

It was announced that the area between Shoemaker hall and the NSP plant will be closed for parking within the next 10 days. Construction is slated to begin on the site soon.

Beginning Monday, all cars must be parked in the lots for which they have been issued permits. All cars not in their proper lots will be tagged and subject to fine.

No Classes Friday!

Classes will be dismissed Friday at St. Cloud State in order that faculty members may attend an Inter-Faculty Organization Conference Friday and Saturday at Mankato State college. Offices will remain open.

Members of faculty associations at Minnesota's five state colleges will participate in the meeting, which will feature addresses by Thomas Hughes, director of intelligence and research, U.S. state department, and Lt. Gov. A. M. "Sandy" Keith.

A legislative program will be developed and ten divisional sessions will be conducted.

Becker Amendment To Constitution Unnecessary

The House Joint Resolution 693, popularly called the Becker Amendment, will be having its hearings starting this week.

The first two sections of this bill state that nothing in the constitution shall be interpreted as prohibiting the use of prayers in school, nor shall any reference to God be prohibited in any governmental activity.

The preceding statements, although they may not encourage any specific act, are in direct conflict with the present 1st amendment of the constitution. These sections appear to be an attempt to make Christianity the established religion of the land and despite our supposed American Christian heritage, the freedom of religion in the United States must also mean freedom from religion.

Despite the claims that it will only be used on a voluntary basis, we know enough about group dynamics to know that anyone who does not participate, especially in high school, is not accepted by the group. This is the position of the atheist, the Buddhist, the Jew, etc., in a Christian school; this is the position of the Protestant, in a predominantly Catholic school or the Catholic in the Protestant school. Are we to make these people suffer from constitutional harassment?

Now we come to the 3rd section. Section 3. Nothing in this article shall constitute an establishment of religion.

In Section 1 and 2 the proposal would destroy the 1st amendments

guarantees of religious liberty and then in Sect. 3 deny that it has done so.

This isn't really what Mr. Becker intends to do. All he probably really intends is to reverse the Supreme Court decisions on prayer in public schools, but the Supreme Court decisions were sound and just decisions. It is the emotional interpretation of these decisions by certain elements of our society that has caused most of the misunderstandings.

The Supreme Court is not against religion. It realizes the importance of religion in our society and the influence it may or may not hold in our lives, but the Supreme Court is anti-state supported religion and justly so. It realizes that there cannot be both a strong government and a strong church if one has to lean on the other.

As stated in the *Christian Century* "Whatever it is, religion on a government platter has never provided much spiritual nurture for the people, nor has it given strength to the matter." Many examples from the past as well as the present including The Holy Roman Empire and Spain, can be given to show this.

It is not the duty of the government nor the wish of the Church that religion of any faith be taught in the schools, nor is the Supreme Court seeking the demise of organized religion, but we do not need an amendment to interpret the first amendment.

We urge students to take advantage of this opportunity to meet the candidates, listen to them, and question them. We particularly challenge those students who doubt the values of student government to attend. Unless, of course, they fear that their pre-determined views may be challenged or altered.

Books Needed By Negro Schools

The United States National Student Association and the United States youth council are co-sponsoring a "Books for Equal Education" drive this spring which will solicit textbooks, reference works, general literature, and on all academic levels, grade school through college. These books will be sent to Southern Negro schools from which accreditation has been withdrawn because of inadequate library resources. Books, perhaps the most important building material in the construction of educational institutions, are in very short supply.

Although school buildings may be nothing but shacks and the teaching staff woefully inadequate, a student can still learn if he has resource material to work with. In many instances these resources are not available and yet there are many fortunate students who throw away, store, or sell for pennies, books they no longer need. Probably half the stored books will never be touched by human hands again.

These books are the ones that those students in the South could receive their education from.

Now is the chance for SCS students to show that they believe in equal rights and advantages for all men.

WELL, PERSONALLY I THINK THEY ARE JUST A LITTLE TOO CONSERVATIVE

Letters to the Editor

faculty p.o. 68

Platform Presented

Editor:

As a candidate for the office of senator-at-large there are a number of issues which have come to my attention and three in particular which need airing.

The new Student Association constitution, if accepted by the Faculty Senate, will make the new governing body much stronger and more able to fulfill the wishes of the student body as a whole. I regard the new constitution as one of the greatest advancements of the year on this campus. It puts new obligations on the Senators and therefore we need articulate and forceful representatives.

This college is growing fast. We are now attending, not a provincial school, but a school which is attracting students from all corners of the United States. This is not enough. An all out effort must be made to attract more out-of-state students and above all students from as many overseas countries as possible. This must be done to complete the conversion of a once provincial college to the admitted status of a cosmopolitan college. The Student Association can make a significant contribution to this end.

The third issue which concerns all of us personally and which has been a thorn in our side for years is the situation of the student parking lots. Something must be done to eliminate the mire and muck which we have had to struggle with. Our five dollar contributions should buy more than this. The impression that visitors get from this muddy sight is not one of commendation to the school. This can be remedied.

Every candidate wants this election to be based on qualifications and not just personality. I feel that my qualifications make it justifiable for my candidacy. I am president of the Forensic Association, and active debater, active in SNAE, co-chairman of New Student Days-1964, and vitally interested in the future of this campus and the students on it.

It is my wish that the students look at the issues in this campaign and determine which candidates are going to do something about them. This Student Senate has an obligation to move ahead in student government for the students at St. Cloud State.

Richard "Dick" Shoen

Student Checks

Editor:

This letter is being written in hopes that it be seen and considered by those persons responsible for the student payroll. Everyone that has an on-campus job at the college and especially ventures to the business office on the fifteenth of every month will understand and sympathize with my complaint.

Too often student checks are late. This is a most irritating situation and it should be remedied. When an employee accepts a job he understands, and must comply with, certain regulations and in return he expects, and rightfully should receive, certain considerations. Getting his pay on time is not the least of these expected considerations.

So, for the above-mentioned reasons, I, an embittered and slightly destitute student, am registering this complaint with hopes that it might have some effect on the responsible bureaucrat(s).

Sam Smith

Commendation

Editor:

I would like to commend you on the April 14th editorial entitled, "Beautiful Campus is the Duty of Students Too." I hope your editorial may have an effect in starting a coordinated campaign to clean up and develop the river area into a site that students, faculty and staff can use and be proud of.

A little money, considerable coordination and lots of work could provide us with a recreational area that would enhance the beauty of this campus.

Students Urged To Attend Convo.

Student Senate election time is upon us again. An entirely new feature has been added to this year's campaigning. Last year, we witnessed the beginning of a series of forums designed to give students an opportunity to meet and question candidates. All things considered, we would consider these forums quite successful. The entire campaign took on a tone seen very seldom in previous campaigns: issue orientation. It goes without saying that we are not wild about the "personality politics" which dominate so many campuses.

Even those who oppose the student senate and its functionaries will have to admit that student government can do something for the students. One must only witness the recent library campaign, and the consequent extension of hours to realize this. When the usual "end of winter quarter" complaining about library hours seemed stronger than usual, the legislative relations committee of the student senate assumed the leadership necessary and presented their case to the appropriate authorities. After thorough discussion and all due consideration, the majority of the proposals were accepted.

The committee in charge of the student senate elections this year, has taken another step toward the demise of "personality politics" this year. On Tuesday, at 3 p.m. in Brown hall auditorium, there will be an open meeting for all students. At this time, the candidates for all student senate positions will be on hand to present their platforms. There will also be a period of open discussion at which time, candidates can be questioned.

Civic Music Features Symphony

Skrowaczewski

Closing concert of the 1963-64 concert series of the St. Cloud Civic Music Association will be a concert by the Minneapolis Symphony Orchestra, with Stanislaw Skrowaczewski as director at 8:15 p.m., Thursday, in Technical High auditorium. This concert will be the final one of the twenty-fourth season and next season promises to be a highlight twenty-fifth anniversary year. Membership campaign week will be October 5-11 next fall, and is open to the public.

The program will include Scherzade, symphonic suite after "The Thousand and One Nights" — Rimsky-Korsakoff symphony, "Mathis der Maler" — Paul Hindemith, and overture to "Oberon" von Weber. Mr. Skrowaczewski has won the acclaim of critics wherever he has appeared and has conducted concerts in all parts of the world. The concert Thursday evening will be announced by Boris Sokoloff, manager of the orchestra.

Huskies Sweep Pair From Mayville, St. John's

Coach John Kasper's baseball team captured a pair of victories last week, their first of the season, as the Huskies opened their 1964 home baseball season.

Thursday, State ripped St. John's pitching for 17 hits and a 10-5 win at Selkirk Field. Bruce Harjung held the Johnnies to only six hits over the nine innings.

Outfielder Larry "Sam" Miller led the Huskie attack with

four hits in five trips to the plate, including two singles, a triple and a home run. Three other Huskies collected three hits. Tom Kozlak had two triples and a single, Jerry Tusk had a single, double and triple, and Howie Tyson hit three singles in the slugfest.

Mayville State was the Huskies opponent Friday afternoon and suffered through a State explosion in the sixth inning to absorb a 7-4 loss. Mayville had previously split a doubleheader with Winona, the favorite in the Northern Intercollegiate Conference race.

St. Cloud scored a pair of runs in the fifth inning on a double by Tyson, a walk to Jack Riley, a single by pitcher Dick Kuzel, a walk to Kozlak, and a single to second baseman Gordie Schimidt.

Third sacker Al Burtman led off the rally in the sixth inning with a single. Then followed three consecutive errors by second baseman Joe Schneider of Mayville and a three-base blast by Kozlak to account for five runs for the Huskies and the 7-4 win.

Kuzel allowed four runs on 8 hits over the nine inning span.

The Huskies clash with Carleton College today at Municipal Stadium. This may be changed, so if you plan on attending the game check before driving out to the stadium.

Cindermen Finish Third At Carleton Relays

St. Cloud State's track team finished a strong third in the Carleton Relays held last Saturday at Northfield, Minnesota.

The Huskies totaled 28½ points, finishing behind Macalaster with 45½ and Carleton with 39½. A total of 12 teams competed in the meet.

National wrestling champion Gary Smith captured a second place in the shotput with a toss of 50 feet 9 inches. Gary Richardson won first place in the broad jump with a leap of 21

feet 9½ inches, just one inch off the school record. Dave Owen also swept a first in the two mile run with a time of 9 minutes 54 seconds. This broke a school record Dave had set only a week ago.

The cindermen also took a third place in the 440 relay and two fourth place finishes in the sprint and distance relays.

The Huskies are at home this weekend to host the St. Cloud Invitational.

Netmen Top UND, Meet Hamline, Mac. This Week

The Huskies tennis team swept a match with North Dakota University last Saturday at St. Cloud. The netmen raised their season record to 4-1 with the 8-0 whitewash of North Dakota.

The Huskies encounter two of their toughest opponents this week in dual matches with Hamline, Thursday at Hamline and Saturday against Macalaster at Macalaster.

WRA News

Tennis Tournament

Six Girls from St. Cloud State will be attending the Carleton Tennis Tournament at Carleton College April 24-25. The girls are Connie Riene, Linda Jean Miemela, Sue Kelby, Irene Strandlund, Margaret Groth and Lorane Furch.

WRA Activities:

Slimnastics—Monday 7:00
Wednesday 4:00
Modern Dance—Tuesday 4:00
Swimming—Wednesday 4:00
Fencing—Thursday 4:00

The annual WRA Spring Banquet will be held April 28 at 6:30 p.m. at the Press Cafe.

Mrs. Dorothy Berg, Health Educator of the Minnesota Tuberculosis and Health association will be the guest speaker.

All women students are welcome. Tickets are \$1.75 and may be purchased from co-chairmen Sis Strondlund and Lea Bullert, phone BL-2-2056.

WRA again this year will hold a High School Playday May 2. Margaret Groth and Joyce Heath-erling are chairmen of this event. They request that all girls interested in helping with Play day please sign up at the WRA Bulletin Board in Eastman Hall.
