Six Editors Resign Chronicle Positions

Richard Shoen, co-editor of the College Chronicle since September, 1965, resigned from his position April 6, in the face of what he charged was "unjust and unwarranted criticism" which resulted in his losing interest in the publication of the newspaper.

On that same day Miss Sandra Hitch, co-editor along with Shoen, also stepped down from her editorial post. In a statement prepared for the college Student Publications Committee, Miss Hitch disclosed that her reasons were "personal ones" and that she was not entirely in sympathy with the objections voiced by Shoen.

Immediately following the resignations, Chronicle adviser Fred Bauries appointed Robert Tremont as interim editor. Tremont is senior from Richfield, is former editor of the Talah, SCS yearbook.

Bob Tremont

Along with Shoen and Miss Hitch four other key members of the Chronicle staff also submitted their resignations. News editors Tom Meins and Jane Krupp, sports editor Phil Saari, and editorial editor Jerry Gerada each echoed Shoen's sentiments and charged "unjust, unwarranted criticism" as the reasons for their resignations.

The first hint of editorial dis-

content came on April 1, when Shoen and Miss Hitch sent a written statement to Ray Rowland, chairman of the Student Publications Committee. In it they announced that they were suspending publication until a meeting of the publications committee was called to hear their grievances. The notice of suspension was also signed by each of the four sectional editors.

The following day Miss Hitch withdrew her name from the notice and agreed to publish a paper on Tuesday, April 5. While the others held fast to their suspension threats, Miss Hitch and Mr. Bauries worked during the weekend of April 2-3 to produce a newspaper for the following Tuesday.

On April 5, a special meeting of the Student Publications Committee was called to hear the complaints of the dissenting editors. This committee, which consists of both students and faculty members, has jurisdiction over the affairs of all student publications at St. Cloud State.

Meeting in executive session on both Tuesday afternoon and again Wednesday, the committee listened to each of the six editors. Also Mr. Bauries, to whom the brunt of the student criticism seemed to be directed, explained his position.

Late Wednesday afternoon the committee came out of executive session. At that time a motion was made by faculty member Francis Voelker which asked permission to continue the discussion.

Lettermen Set For Concert Here Monday Evening, 8 p.m.

by Bob Tremont

One of America's most popular campus attractions, the internationally acclaimed Lettermen, bring their musical magic to St. Cloud State Monday evening.

Sponsored by the men of Sigma Tau Gamma, the Lettermen Concert will be held in Halenebeck Hall auditorium starting at 8 p.m.

"The Lettermen, who do not have long hair or wear daffy costumes, are the nation's top draw at colleges," wrote syndicated columnist Earl Wilson in January. "The trio has dazzled audiences from Hollywood to Las Vegas to New York, and has performed on the Ed Sullivan, Red Skelton, Bob Newhart, Johnny Carson, Steve Allen and Sammy Davis television shows."

The Lettermen, who have enjoyed their greatest success playing before college audiences, have just launched their fourth consecutive tour of the college circuit. This is the group's first upper midwest appearance.

Reports are that the Lettermen are coming here on the heels of standing room only performances at Fargo, North Dakota, and Macalester College in St. Paul. Earlier this year the group played before more than 12,000 people in Palm Springs, California.

During the past five years, entertainment magazines have consistently rated the Lettermen among the most popular musical groups in the country. In 1964,

Varsity tabbed the trio number two in the nation.

Bob Engemann, Tony Butala and Jim Fike, all in their twenties, do not consider themselves

rock and roll singers. But they list as some of their favorite groups the Beatles, the Beach Boys, the Byrds and the We Five.

Primarily noted for their "straight" (non-rock) versions of standards and popular tunes, they will now be accompanied for the first time by a guitarist. In addition they will have their standard back-up trio of piano, bass and drums.

For their performance here Monday evening, the Lettermen have promised a full evening of musical splendor. The group will sing at least 26 hit selections and will also allow time for requests.

Their loftiest musical achievement, "Theme From A Summer Place," will be among the numbers in Monday's concert. Other numbers will be "More," "People," "You'll Never Walk Alone," plus a lively medley of finger-snapping excerpts from "West Side Story."

The Lettermen

Tickets Available

Tickets for the Lettermen's Concert, Monday evening, April 18, are available at the following places: Stewart Hall ticket booth, Dan Marsh Drugs, Musicland, and Engle Cafe in St. Cloud and the Village Drug in Sauk Rapids. The tickets are all reserved and are being sold for \$1.50, \$2.00 and \$2.50.

State College Board Still Silent On Next St. Cloud President

by Scott Craigie

"I am very encouraged with St. Cloud State's chances of getting a top-notch President. And I am confident that a decision will be reached soon."

These remarks were made Tuesday, by Dr. Marvin Thompson,

chairman of a selection committee which is presently reviewing candidates for the presidential post. This committee, although it does not make the final decision, is working closely with the State College Board and has considerable influence in choosing the man who will become SCS's next president.

"Right now," said Dr. Thompson, "the field has been reduced to a small, extremely well-qualified group."

Dr. Thompson is one of five St. Cloud faculty members serving on the committee.

Applicants for the post must have their doctorates, according to Dr. Thompson. The new president also should be young enough to handle the rigors of his job, be outgoing and personable enough, and hopefully have contacts throughout the country which would assist him in securing a qualified faculty, he said.

"It is the official position of the committee that the new man be interested in all fields of education and be fair to them all," said Dr. Thompson.

Dr. Robert Wick, Acting President, feels that the new president will face his greatest difficulties in dealing with the tremendous population growth.

"Recruiting a large number of quality faculty members will be his most serious problem," says

Dr. Wick. "Then he must retain this faculty and provide adequate physical space."

It is no secret that both state and local groups would like to hire a new man as soon as possible. College faculty contracts usually expire June 30, and the new president would probably begin work around July 1.

Deadline Nears For Graduates

All students who are planning to be graduated during the Summer Sessions and Fall Quarter must submit their Applications for Graduation not later than Friday, May 13. Students who are planning to be graduated at the end of the Spring Quarter should submit their Applications for Graduation not later than Monday, May 2.

COLORFUL COSTUMES, precision swimming, and a diving performance highlight the tenth annual Synchronettes Swim show held at the Halenebeck Hall pools today through Sunday. These girls in costume are only six of the 30 member show cast. Left to right: front row, Shirley Yde, Ginger Brooke, back row, Diane Bodnar, Marcia Briggs, Kris Krueger, and Sharlene Stofko.

At SCS Swim Show

Gals To Give Swim Show

Is it bathtub Saturday night or splash-splash SCS style? Neither of the two, but rather the tenth annual Synchronettes Swim Show being held today, tomorrow and Sunday in the Halenebeck Hall pools.

Being held for the first time in the spacious confines of the show, the show this year is based on the theme "Whirl of Whiffs."

The theme will be told through the numbers of the show. Each number represents a perfume ranging from the mysterious to the heavenly.

Some of the highlight numbers include: a solo by show chairman Mary Vener, a junior from Sauk Centre, entitled "Heaven Sent"; a duet with Sherry Quiggle, a junior from Sauk Rapids, and Sharlene Stofko, a junior from Edina, entitled "Chantilly Lace."

The show has performances set for tonight and tomorrow night at 8 p.m. and Sunday afternoon at 3 p.m. Tickets at 50 cents per person may be purchased from any member of the club, at the door, or at the Stewart Hall ticket booth.

Resignations Break Sacred Creed

Come rain, snow, sleet, or hail—the newspaper will be published. That's the newspaperman's motto!!! But no one ever said anything about mass resignation of student editors.

Shrouded in the mysteries of secret meetings, closed doors, behind the scenes thrumming, resignations, forced resignations and the like, six editors abandoned their Chronicle positions—determined to suspend publication "until steps are taken to alleviate unnecessary and unwarranted conditions relating to the publication of the Chronicle."

But so inspired are we, the new editors and staff, toward implementation of our

creed, that the Chronicle still comes your way.

The new editors certainly cannot condone the actions of these six editors who left their posts. It is regrettable that these representatives of public opinion find shelter in quitting in the face of criticism—whether it be just or unjust.

The issue need not be carried further. The important point is that there are those who recognize the responsibility of carrying out a job to the end.

However, in the face of these new developments, our sacred creed must be enlarged. Come rain, snow, sleet, hail, resignations....

Students Need Snow-Job Shield

As Student Senate elections draw closer, it becomes necessary for the voter to shield himself from the usual snow-job of the hopeful candidates. This snow-job comes in many varied forms of trite clichés, petty slogans (i.e. "Andy is Dandy", "Mail is Swell", etc.), and the always abundant empty campaign promises. Once shielded, the voter can proceed to evaluate the candidates in regard to their knowledge and stand on the issues.

This year the issues are readily apparent and extremely crucial to the students. At the head of the list are dormitory regulations and policies. Despite cursory attempts on the part of the administration, little or no progress has been made in changing procedures, policies and regulations concerning dormitory residents. The prevailing atmosphere of totalitarian control still chokes the resident, leaving dormitory life somewhere between a nursery school and a monastery. Although quite popular with the administration, judicial boards are still anti-democratic and, in essence, nothing more than kangaroo courts.

Deferment Applications Available

Students worried about passing an exam can usually find previous tests or former students to tutor them through the mysteries of Music 123 or Soc. 260. Now they apply the same methods to the draft deferment test, coming up in May.

Barron's, a company dealing in course outlines and sample test questions, has just issued "How to Prepare for the Student Draft Deferment Test" with "all the facts you need to help you score higher." Based on the previous Korean War tests and standard aptitude tests, the "cram sheet" offers complete verbal and mathematical exercises as well as sample tests.

Several Universities are offering tutoring programs to help liberal arts majors prepare in specialized areas as algebra and trigonometry questions.

The deferment test, which will be administered May 14, May 21, and June 3 consists of 150 multiple-choice questions intended to determine one's ability to read with understanding and to solve new problems by using

general knowledge. The test is prepared and administered by Science Research Associates of Chicago for the Selective Service System and is intended to give local draft boards additional information regarding the proper classification of registrants who apply for occupational deferment as college students.

Applications to take the test are now available in the Student Personnel Office or at any Selective Service Office. The application must be mailed by April 23. The company will determine when and where the student takes the test as there is limited room in each test center. The returned card will be his admission ticket to the test.

While the test is not mandatory, students are urged to take the test. The test results will not deny the applicant a deferment. In other words, it will not hurt a student's chances for deferment—but it could help if the student's grades should slip and place him in the lower fraction of the class. Failing the test will not change the draft status.

PEW May 9-13

Plans for a Political Emphasis Week at St. Cloud State, during May 9-13, are quickly moving toward completion.

Senator Jack Miller, Republican from Iowa, will keynote the event Monday, May 9, at 8 p.m. in Stewart Hall auditorium.

William Randall, Republican gubernatorial candidate, and state treasurer Val Bjornson are scheduled to speak Thursday, May 12, at 7:30 p.m. in Brown Hall auditorium. A student discussion at 8:30 p.m. will follow their speeches.

Lieutenant governor Sandy Keith, DFL contender for governor, and Alec Olson, Democrat and sixth district Congressman, are also scheduled to be guests during Political Emphasis Week.

Student chairmen for the event are Steve Wenzel and Sam Sartell.

SCS To Pick Prof Of Year

A Professor of the Year will be selected by the students of St. Cloud State College during April in recognition of Teacher Career Month. The election is scheduled for April 22 and the professor chosen will also be honored at a Spring Banquet, May 5.

Teacher Career Month was first celebrated in April of 1958, with the aim of focusing the nation's attention on the importance of the teacher in our country's future. An additional feature of the event is the letter of appreciation sent to high school teachers throughout the state. These teachers are selected by student members of the Minnesota Education Association.

Letters To The Editor P. O. 68

To the Editor:

The wildest strike of the under-py, overworked, and under-skilled editorial department of the college tabloid has prompted this letter.

I would like to remind the editors (and I use the word VERY loosely) that assuming the responsibility of leading a student publication is not an easy one, nor a continuously rewarding one; however, the facts are that you did agree to accept these positions and regardless of your shortcomings as journalists, you DO have an obligation to the student body.

Somebody criticized you poor kids, huh? Well listen, life is tough all over. There are some 6,000 students walking around this campus that are getting criticized every day by mean old profs, house-mothers, Pinkerton men, dorm mothers, et al.

You people of the editorial staff weren't chosen solely on the premise that you would perform like Horace Greely. All the student publication committees wanted from you (I trust) was your best effort. Is that too much to ask? Well then, what kind of an effort can we expect when you turn tail and run?

The time has come for the student newspaper to stop knocking the Senate, bookstore, the administration, the parking lot, the type of classes offered, etc., and take a good look at themselves.

Sincerely
J. Pat Cronin

(Editorial Note: The new staff has taken a long look at its policy. Most of the staff is inexperienced, but we give you our assurance that we will not turn tail and run. Furthermore, if the Students Publications Committee wants our best effort—that's what they will get. We promise no more!

5. The maximum size limit of all posters is one full sheet of tagboard. There is no minimum size requirement.

6. Materials may not be placed in P.O.'s without being addressed.

7. No campaign materials are allowed on the first floor of Stewart Hall at any time.

8. There will be no campaigning on election day. This includes buttons and ribbons but does not include posters in place.

9. Voting booths will be located in the Snack Bar, Brown Hall, Riverview, Garvey Commons, Shoemaker Lounge, Halenbeck Hall, Hill-Case Lounge, Mitchell Lounge, and first and second floors of Stewart Hall. Materials within 25 feet

of these areas will be torn down.

10. Any materials that are obstructive in nature or detract from College grounds must be taken down. The responsibility for this will be placed on the candidate and his manager.

11. Each candidate and his manager are responsible for taking down their campaign materials.

12. Remember candidates and managers: There is a risk involved in any materials used in this campaign. Any infraction of the above rules may result in disqualification of the candidate.

13. In the event that a Primary Election is needed, it will be held Thursday, April 21 and the General Election will be held on Thursday, April 28.

Huskies Return Home

by Dave Long

It has been said that travel is the death of an athlete. This expression held true for the St. Cloud State Huskies baseball squad as they played nine games in seven days.

They opened up last Thursday at home against Augsburg, splitting the doubleheader. Augsburg took the first game 4-2 with a third run seventh inning. The Huskies came back in the second game to score five runs in the last three innings and win 5-4.

Saturday, the Huskies moved to Omaha, Nebraska, to take on the Offutt Air Force team in a twin bill. Doc Kasper's club got great pitching from freshmen Tom Rogers and Dave Conley and swept both games by scores of 5-1 and 4-3.

Sunday afternoon, the Huskies were again to meet Offutt, but a curfew kept the Offutt team from playing. Concordia College of Moorhead was traveling through Omaha, on Sunday and had no game scheduled. After some nasty

preparation, the Huskies took on the Cobbers and were beaten by a score of 6-2.

Monday was again doubleheader day as the Huskies moved into Creighton University for two games. Creighton, fresh from a weeks layoff, jumped on starting pitcher Bill Josephson for nine runs in the second inning and when on to mop up by a score of 18-4.

The Huskies came through the second game on the booming bats of Bill Larson and Markinen to squeeze by Creighton 8-7. Larson had two hits and one run-batted in, while Markinen had a home-run and a single for three ribs.

Tuesday, SCS wound up the marathon by losing another twin bill. This time to Dana State College by scores of 7-4 and 5-3.

"We found out a lot about our ballplayers," said head coach John Kasper. "This should help us put together a sound unit for the conference season."

"This road trip didn't help our situation for this season," said Markinen. "We should be ready."

Information Released On Intramural Softball

by Jack Gehrkke

Any group wishing to enter a team in the intramural softball league must have their entries in to Mr. Colletti by Friday, April 22. After this date there will be a notice on the bulletin board every day showing who will play and what diamond they will play on.

Arrangements have been made with the city Recreation Department to use the following softball diamonds:

Airport # 2, 4, 5, 6, and 8, from 5 to 6:30 p.m.

Southside Park # 1, from 3 to 6 p.m.

Wilson Park # 3, from 3 to 5 p.m.

Riverside Park #1, from 3 to 6 p.m.

On both Southside and Wilson Parks, playing must be restricted only to the diamond that is listed. Also, cars must not be driven on Southside Park.

Colletti asks that everyone please observe this information because these diamonds are also used by other groups and that St. Cloud State fortunate to be able to be able to use these facilities.

Softball equipment may be checked out from Halenebeck

Hall and must be returned the following day.

Colletti also stated that if there are enough dorm teams there will be three different leagues: a dorm, a fraternity, and an independent. At the end of the season there will be a final tournament.

Cheerleading Tryouts Monday

Tryouts for the 1966-67 cheerleaders will be held at Eastman Hall from 4:30 p.m. Monday, April 18, Wednesday, April 20, Monday, April 25, and final selections will be made April 27.

Both men and women may try out the vacant positions and men are especially urged to attend. Contestants must have an overall 2.0 grade average and be at least a third quarter freshman. High school cheerleading experience is not necessary but will be helpful.

People with 4 p.m. classes wishing to try out are asked to report to Eastman at 5 p.m. It will be mandatory for men trying out to attend the first session.

Tennis Team Opens With Kirksville Meet

St. Cloud State tennis coach Rufus Wilson is faced with a situation that most coaches dread about as he takes over as mentor of the Husky net squad in his first major college coaching position.

Wilson is very optimistic about his squad's chances. "We should know after the first two or three matches if we are as strong as I think we are," he said. "We have eight boys who are as even as any eight players can be and we should have tremendous balance."

Mike Sundby, junior captain from St. Cloud Tech is Wilson's number one player while Ed Anderson from North St. Paul, Bill Crozier of Minnetonka, Jim Koenig from St. Cloud Cathedral, Jim LeMire from North St. Paul, John Priebe from North St. Paul, Rick McClellan of Robbinsdale, and Bob Stearns of St. Cloud Tech are fighting it out for the next three positions.

The squad made its first appearance of the season yesterday against Drake University at Des Moines, Iowa, and compete in the Kirksville, Missouri Invitational Tournament today and tomorrow.

Last season's squad finished

ed fourth in the tournament and is ranked in the same position as this year's meet opens.

Thinclads Place At Moorhead

St. Cloud thinclads took second place in the Moorhead Indoor Invitational Tuesday. They finished with 49 points behind a strong Western Kentucky team that totaled 78 1/2 points.

Coch Bob Tracy said, "Western Kentucky was a marvelous team," and he was "pleased and surprised to finish second."

Saturday the trackmen journey to Mitchell, South Dakota, to participate in the twentieth annual Corn Palace Relays.

This will be St. Cloud's first entrance in this mammoth event. They will be competing with approximately 20 schools from across the country. St. Cloud will send nearly a full team, with an emphasis on the relays.

Last year this event boasted 110 schools and over 1,500 athletes. It is both a high school and college field day. Tracy said, "Meets of this size are vital to the development of our men for the upcoming season."

'The Other Half'

by Barb Werner

A W.R.A. open meeting will be held next Tuesday, April 19, at 7 p.m. in Halenebeck Hall. This meeting is an attempt to introduce W.R.A. activities to St. Cloud women. The meeting will include demonstrations, skits, refreshments, and participation activities.

Note the time changes in swimming and alimnastics. Swimming now meets at 4 p.m. on Wednesdays, alimnastics at 6:30 p.m. on Mondays and 4 p.m. on Tuesdays. By the way, alimnastics is now featuring apparatus and trampolines.

Beginning May 2, will be softball, tennis, golf, and track and field. The next two weeks will be your last chance for swimming, alimnastics, and fencing.

Here are a few dates to keep in mind for an active spring quarter: April 22-W.R.A. elections in Stewart Hall, April 29-Carlton Tennis Tournament, May 2-banquet, May 6-bike hike, May 12-W.R.A. and A.W.S. mock track and field meet, May 14, 15 and May 21, 22-camping weekends, and May 18-St. Benedict and St. Cloud track and field meet.
