*\*Peter's Friends*

*Dear Peter Pan for many years  
We've garnered from you smiles and tears,  
And through like we you cannot grow,  
Stay with us, do not let go;  
Reach out to clasp dear Peter Pan's,  
So that we never shall forget  
Our childhood and be children yet.*

*After the Original Water-Colour Drawing by Margaret W. Tarrant*

This is the statue of Peter Pan in Kensington Gardens, where Wells often plays.
