Dear Claude:

Merry Xmas to all of you BUT you are certainly the damndest correspondent living. You haven't yet let me know which of us owes the other money, or told me a thing about the trip after [Pelican?] except that Bill was cranky.

I have all the enclosed left over – wonder if you can use some – might want to give 'em to some friend.

We've settled very happily in Paris + shall be here till about March 1st.

Love to Mary + family,
H
