

[Gavin?] W. Wilson to Joseph P. Wilson
November 2/3, 1856
Saint Cloud, Minnesota

J. P. Wilson Esq.

Please to pay hennery [Wallermaner?] three dollars (3\$) and charge the same to St. Augusta also what meal he may want-about 4 [?]

Yours [Truly?] [Gavin?] W. Wilson

The reason of my drawing on you at this time is that this [make?] had worked on the road and had always been very accommodating. Let us have this cattle when ever we wanted them. As the judge who absent yesterday when this [meker?] was up to see him-gone to Monticello-and as he would not be likely to see him, as he starts before he returns and Mr. W-n is [desirous?] of leaving tomorrow morning I have taken the [liberty?] to make this order.

Yours G.W.W.

I wish you would see the logs owners and see if we can get some logs to make [shingles?] this winter-if we could buy more logs laying in the [Slew?] at a fair price we can do a little something making shingles-no will a correct account of me marks and [signes-Rupence Lennord Day?]-don't know but what he is an owner-if so I [?] them. Would not be much [worth of getting them?]
