Dear Claude:

I'm enclosing my half of the \$338.50. It was fine of you to take charge of everything at Sauk Centre as you did, + I'm glad I joined you. Good to see Ginny back.

I'm selling my house here, to move out May 1. I've loved the place, but it's part of my job to keep moving on. I'll probably go to New England for the summer.

Good luck with your hand at Rochester. Love to Mary.

Ever  
Harry
