### FAKE ID CARD KIT

We now offer a complete kit for you to make your own fake ID cards! You can be anybody or any occupation you wish! Even make your own diplomas, degrees, & awards from any college or university of your choice. Using simple tools such as a typewriter or a computer printer, rub-on letters, and liquid white-out, you can make any ID you wish. We supply you with two sheets of GOLD & SILVER iron-on foil that makes any ID card look official! This hard-to-find foil is the same type gold-leaf foil that printers use. We now offer a do-it-yourself version of having printing done using gold or silver leaf! It is simply ironed-on to any photocopied document and the foil adheres to the print to create a permanent foiled ID card. It looks like you had it professionally printed. Create your own official seals, documents, and degrees! Two 12" x 12" sheets can do dozens of different ID cards and documents! We are the first to offer this unique do-it-yourself method of creating official looking documents!
