Professor Dudley S. Brainard
Minnesota State Teachers College
St. Cloud, Minnesota

Dear Professor Brainard:

The completion of the selection of applicants for the Navy V-12 Program prompts me to express my sincere appreciation for your service as a member of the Civilian Committee. The group accepted is now being enlisted and ordered to active duty March 1, in the various colleges and universities.

The selection of these young men has been an important task both to the Navy and to the young men who are candidates, and your valuable contribution is sincerely appreciated.

Yours very truly,

Randall Jacobs

Rear Admiral, U.S. Navy

Chief of Naval Personnel
