

June 30, 1945

Mr. D.S. Brainard

State Teachers College

St. Cloud

Dear Mr. Brainard:

I wish I could come down to St. Cloud and talk to the School but I have already, and foolishly, engage myself to eight talks here, a couple at Moorhead, and a couple at Bemidji. That's too much.

Perhaps spring, summer, or fall of 1946?

Sincerely yours

Sinclair Lewis
