Dear Virginia:

Enclosed is a clipping of interest. It shows that the State Historical Society will sponsor such a project as you have in process of completion. These booklets should be sent out by April 1st.

We all had a grand time Sunday at the concert and the dinner. We owe you much for washing all the arrangements. I should also pay you for the tickets to the concert. Perhaps we can deduct that from your loan.

It was a cold drive home on Sunday. It was 12° below that night in St. Cloud.

Even the boys talk about their good time on the trip to Minneapolis.

Love

Daddy
