Dear Virginia:

We are all so glad you and Dick will be up this week-end. St Johns plays Bemidji tonight on Selke Field under the light as [palis benefis?]. The St Johns-St cloud game comes Saturday afternoon probably about 2:30 at St Johns. Therefore I cannot get tickets for you. St Johns has no stadium but there are bleachers tho not large enough for a crowd of any size. Ned and Chuck are driving up to the St Johns game.

There is a College Women's Club luncheon on Saturday which Mother wants to attend so she cannot meet you at Elk River.

Charles is working time during this last week at home. Ned is busy taking tests. We think he is going to enter into college life with a lot of enthusiasm. Charles never entered into activities much except in athletics. Therefore I hope he will do so at the University – I think he will especially if he gets into a fraternity.

Love

Daddy
